Hello Tori,

Total cost of the hood install is as follows:

- Hood, make up air, and suppression system - \$21,500. Furnished and installed. (Contractor is Chad Ennis)
- Charging and final inspection and testing - \$600. (AAA Fire)

Hopefully this does the trick! Let me know if there's anything else you need. Any idea how long before we'll have the permit in hand?

Thanks,

Bruce
