Re: Exterior Alterations; H.H. Hay Building, Portland, Maine

Dear Mr. Halkiotis:

On December 4, 1998, the Historic Preservation Staff of the Portland Planning Department approved your application for a Certificate of Appropriateness. The approval is for exterior alterations to the H. H. Hay Building at 594 Congress Street, including signage and exterior lighting.

The approval is subject to the following conditions:

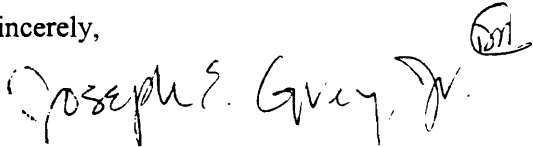

1. That the proposed alterations to the existing clock face on the front elevation be eliminated from the plans. The proposal to alter this historic feature does not comport with the review standards of the historic preservation ordinance.
2. Approval is granted for the installation of small halogen lights to illuminate the sign panels; such lights to be identical to those installed at the Starbucks facility at 176 Middle Street in Portland. Consultant to submit catalogue cut or specifications for fixture.
3. Consultant to clarify placement and type of sign proposed above the main building entrance facing Congress Square.

All improvements shall be carried out as shown on the plans and specifications submitted for review, except as to comply with the conditions above. Changes to the approved plans and specifications and any additional work which may be undertaken must be reviewed and approved by this office prior to construction, alteration or demolition. If, during the course of completing the approved work, conditions are encountered which prevent completing the approved work, or which require additional or alternative work, you must apply for and receive a Certificate of Appropriateness or Non-Applicability PRIOR to undertaking additional or alternative work.

This Certificate is granted upon condition that the work authorized herein is commenced within twelve (12) months after the date of issuance. If the work authorized by this Certificate is not commenced within twelve (12) months after the date of issuance or if such work is suspended in significant part for a period of one year

after the time the work is commenced, such Certificate shall expire and be of no further effect; provided that, for cause, one or more extensions of time for periods not exceeding ninety (90) days each may be allowed in writing by the Department.

Sincerely,

Joseph E. Gray, Jr.
