# OUTDOOR DINING Permit Application & Checklist

Permits are required for expanding food service to the outside on *all properties*. For public properties, the annual fee for Outdoor Dining is \$80.00, with an additional fee of \$2.00 per square foot of dining area on *streets, sidewalks or other public ways* and \$6.00 per square foot of dining area in *city parks*. The total fee for private property placement is \$125.00 (\$25 application fee and \$100 for the Certificate of Occupancy). The fee is due when you drop off your permit application. The square footage fee may be paid when you pick up your permit. *For purposes of fee calculation, the area abutting the buildings which border Monument Square and extending ten (10) feet from the facade of said buildings shall be considered a sidewalk. The ten (10) foot area shall be measured from that portion of the facade that protrudes furthest into the sidewalk. The area beyond the ten (10) foot sidewalk shall be considered park space.*

Outdoor dining is permitted for the period April 1 - November 15. Barriers must be removed no later than November 15; however, furniture must be removed in inclement weather to allow for sidewalk snow removal. Requests to extend beyond the standard permit period require approval by the City Manager and should include explanation of installation and snow removal plan.

*Outdoor dining permits located on public property are only valid for a year.*

*Outdoor dining permits located on private property are valid permanently with the establishment.*
