Dear Sam,

Maine College of Art seeks the City's approval that it use portions of the second floor of its facility at 522 Congress Street for the annual art auction. The date of the event is November 2, 1996. The schedule would be:

Preview of auction items	10:00 a.m. - 4:00 a.m.
Auction	6:00 p.m. - 10:00 p.m.

We anticipate an attendance at the evening auction of approximately 300 people; the preview would draw only a handful at any one time. The format for the auction would be attendees seated in rows or at tables facing a podium from which the auctioneer would present each piece of artwork individually for bidding. The work to be auctioned would be displayed on the walls of the space. Wide corridors will be maintained in each of the seating wings. Two or three food stations will be located near the door to the main stair landing. Publicover Security will be on duty at the first floor security desk.

The attached floor plan indicates the lay-out for the auction as well as the location of fire exits, pull stations, emergency lights, etc. The sprinkler system is operating as is the fire alarm. The College's Director of Facilities, Doug Doering, is available to show you the space at your convenience.

It would be especially helpful if we could have your response by August 5 for our planning purposes. I will be on vacation until August 12 and can be reached at 775-3052 after that date. Many thanks for this consideration.

Sincerely,

A handwritten signature in black ink that reads "Joan Fowler Smith".
