Comments:

4/30/2008-mes: I can not tell where within the building this sculptural partition is being located - The front along Congress Street is within the PAD district & I don't want the entry or windows being blocked. I called June Fitzgerald and asked for more information - a scaled floor plan - gave my fax number.

5/1/2008-mes: Spoke with June who gave me more information as to where this sculptural partition will be located. She will also drop off a floor plan. I am passing this on to Capt. Cass for further reviews.
