Hi Ann,

Following up to our discussion, the total length of the cut letters (MECA) is 10ft wide. Those cut letters are 25" tall and 2.25" thick. The vinyl lettering below (Maine College of Art) is approximately 12" tall and will mirror the length of the cut letters above (10' wide).

Please let me know if you need any further clarification on this.

Best regards,

Raffi
