Ann, sorry for the delay; I was on vacation last week. The Brown St side is staying the same size as what is currently onsite.

Subject: Subway Sign Permit (2013-01137) - 498 Congress Street

Mason -

Just a quick question. Right now there are two signs for Subway - one on the Congress Street facade and one on the Brown Street facade. It appears from the permit application that the only the Congress Street sign is being replaced. Is the Brown Street sign remaining or being removed?

Thanks.

Ann
