## Comments:

8/17/2007-mes: No permit on file showing the change of use for this site - I called Oscar Mokeme and told him that we need that permit first to establish the use. I also need the length of tenant frontage to determine compliance with the sign ordinance.

8/24/2007-mes: On 8/23/07 Ann pointed out that there was a change of use permit, but under a different CBL #- The CBL # originally on this permit was wrong. Ann corrected for the front staff.

## Signage/Awning Permit Application
