"Stories of Light"

This holiday season the Make-A-Wish Foundation of Maine will light up the night—literally. From ~~Dec 3~~ ^{Dec 3} through December 23rd, the Time/Temperature Building will be illuminated at night to raise money and awareness for the Make-A-Wish Foundation of Maine.

Sponsors will be invited to help fund a wish by making a donation or pledge to the Make-A-Wish Foundation of Maine. As a visual thermometer to the community, each time enough money is raised to grant a wish (the average cost of a wish is \$5,000) a Make-A-Wish logo will be illuminated on a different floor of the building. The campaign goal is to raise enough money to fund one wish for each of the 14 floors or \$70,000.

Stay tuned to WMTW Channel 8 and FRANK FM 107.5 between ~~December 3~~ ^{Dec 3} and December 25th to help us light the way for seriously ill children in Maine who will be strengthened in 2005 by the magic of a wish.

For additional information please contact:

Catherine Cofran-Time/Temp Building
773-3477

Stories

of Lightsm

Stories of Light Holiday Program

*5th Annual Make-A-Wish Stories of Light Holiday Program
Granting children's wishes and lighting Boston's landmark Prudential Tower*

Presented in partnership with:

In cooperation with:

Be a part of the magic this holiday season and light up a child's life. Why do we call it *Make A Wish Stories of Light*? Each time a floor of the Prudential Tower is illuminated with a colorful array of lights, a new story begins for one of our special children as his or her wish is granted.

Since 1999, Make A Wish Foundation of Massachusetts has illuminated the Boylston Street facade of the Prudential Tower to increase awareness and raise funds to grant the wishes of children facing life-threatening illnesses. Each time a company or organization steps forward to sponsor a wish by making a \$5,000 donation – enough to underwrite the cost of one wish – we "light up" one floor of the Prudential Tower. Thanks to the generosity of our donors, we have been able to grant more than 170 special wishes through this program alone.

Become a partner in hope

With your help, children find hope, families find strength and communities become more caring. Here's how you can make a difference:

- Support the *Make-A-Wish Stories of Light Holiday Program* through a "Light-A-Floor" sponsorship of \$5,000.
- Create a "Stories of Light Team" of employees, schoolmates or friends and dedicate yourselves to lighting a floor of the Prudential Tower.
- Make an individual donation of \$1,000, \$500, \$100, \$50 or \$25. All gifts make a difference.
- Visit the Wishing Well, the *Make-A-Wish Stories of Light Holiday Program Booth* located in the Terrace Food Court in The Shops at Prudential Center, and partake in the festivities planned December 6th-14th, 2003.

Net proceeds from this program will support our efforts to grant wishes to all medically eligible children in Massachusetts.

Standard Features & Accessories for the EC-2™ Architectural Luminaire

FEATURES:

- CMY color mixing
- Long lamp life
- High reflectivity computer designed multi elliptical reflector for maximum output
- Fully convection cooled no fans
- Easy access for lamp change and electrical connections
- Smooth full field dimming
- 24" to 35" Zoom lens
- Optional wide angle lens (30° to 44°)
- Variable strobe

CONSTRUCTION

- Rugged fully weatherized IP66 housing (EPA2 051)
- High precision aluminum pressure die cast housing
- Selectable input voltage 100-277V at 50/60Hz

OPERATION

- Control via DMX-512 protocol
- Occupies 9 DMX channels in standard protocol
- All operating parameters and diagnostics available through the DMX-512 serial link
- Remote fixture power up and shutdown
- 32 on-board memory presets for stand alone operation

MECHANICAL SPECIFICATIONS

- Height 390mm = 15.3in
- Width 231mm = 9in
- Depth 425mm = 16.7in
- Weight 35lbs = 16kg

Source: **MSD 250/2**
Output: **7,000 lumens**
Color temp.: **6500° K**
Life: **2,000 hours**
