Approved by zoning. Permit #2016-00537, issued 5/12/16, approved a change of use to a gaming center.

As far as I see, the B-3 zone does not contain any limitation on hours of operation. There is a limit on external noise between the hours of 9 PM and 7 AM that the business would have to stay within.

Hi,

The PD has concerns about the establishment being open until 4 a.m. Are there any zoning restrictions at this address around closure times?

Thanks,
Janice
