Hi Anne,

Attached is the last building permit for this space that Vin could find if you want to take a look at it - might save you some digging work.

Vin also wanted me to clarify that only the front 2/3 of the space at 22 Free is being converted to personal services (hair salon), the back space will remain office space. While the next door retailers will have access to it, they intend to use the space as their offices and not retail. Let me know if you have any questions, and I'll get those revised drawings over to you as soon as possible.

Thanks,

Gillian Ghanekar
