1. This permit application does not preclude the Applicant(s) from meeting applicable State and Federal rules.
2. Building permits do not include plumbing, septic or electrical work.
3. Building permits are void if work is not started within six (6) months of the date of issuance. False information may invalidate a building permit and stop all work..

**CERTIFICATION**

I hereby certify that I am the owner of record of the named property, or that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as his authorized agent and I agree to conform to all applicable laws of this jurisdiction. In addition, if a permit for work described in the application is issued, I certify that the code official's authorized representative shall have the authority to enter all areas covered by such permit at any reasonable hour to enforce the provisions of the code(s) applicable to such permit

COMMENTS

17/OCT/97

This project was turned over to me today - Job was completed last winter - I have called both the Engineer's Contractor for the final results of the work done. This job was ~~completed~~ done on week-ends and the inspector was not called - To review work - 2:00 Talked with G.C. about this they will send all special inspection reports to me - # 20/OCT/97 Received reports as inspections by Quality Assurance Lab Inc. on installed Truss supports
