COMMENTS

17/OCT/97

This project was turned over to me today - Job was complete last winter - I have called both the Engineer & Contractor for the final results of the work. \$ This work was done on week-ends and the inspector was NOT called to review the work done - 2 PM talked to G.C. about this, and they will send special inspection reports to me. \$

20/OCT/97 Received reports of inspections by Quality Assurance Lab. Inc. on installed Truss supports \$
