Subject: Civic Center sign for the Bath Savings Entrance

Hi Patrick,

I am reviewing your application for a sign at the Cumberland County Civic Center. I can not sign off on this application because Planning is reviewing the signage plan for the entire structure and they do not want piece-meal applications until the entire site is reviewed for ALL their signage. So I have put this application on hold until Planning gives the ok for issuance.

The person in Planning who is looking at the whole picture is Rick Knowland. His number is: 874-8725.
