
Survey Notes:
1. Add 320 to all elevations on this plan to obtain Mean Sea Level, USC&GS Datum, mcs.
2. Site conveyed from the City of Portland to General Properties, Inc., recorded in book 2267, page 312.
3. Measurements shown are subject to structural irregularities inherent to building.
4. Parking spaces are identified by numbers and are part of the common elements. The parking spaces are common elements which may be allocated as limited common elements to a specific unit for use.

LEGEND
