Subject: Re: 261 Commercial Street 3rd Floor Toilet Upgrades Permit Application

Jerome's direct number is 207-791-3317.

The Owner has requested a COE for each of the previous floor toilet room upgrades (5 & 4) as a matter of internal protocol, and has requested one for the 3rd floor as well. They understand that it is not required since there is no Change of Use, but wish to have one anyway.

Thank You,

Mike

Hi, I need clarification on Jerome's phone number (it's not readable on the application) and notify why the Certificate of Occupancy fee was added to the application? This is not a change of use, so there wouldn't be a Certificate of Occupancy to charge for.

Dear Building Inspections,

Attached is our submission for a Fast-Track Building Permit to renovate the Third Floor Toilet Rooms at MEMIC, 261 Commercial Street, Portland.

Please advise receipt so I may then arrange payment for the permit.

Thank You

Mike Hays - Architect
