269 Commercial Street, Portland, Maine

Dear Sue,

As per your request we visited the site to review the completed structural reinforcement for the window installation in Unit 5A in the Harbor Landing condominium located at 269 Commercial Street in Portland, Maine. We prepared the structural drawings drawing S1, S3 & S4 dated 11/112016 for this condition to reinforce the existing openings for a new window installation. The construction of the reinforcing for the window installation was completed in general compliance with the contract documents and our directive.

If you have any further questions or require any additional information and/or technical assistance, please do not hesitate to call.

Sincerely,

L&L Structural Engineering Services, Inc.
