FYI – Can't recall if I sent it. We can just reference that we had the approval to waive fees.

I heard back from Jon. He is willing to waive the fees. You're all set.

Mike,

Thank you for your call and for waiving the fees. We so appreciate it! If it works for you, we can just make a note on the permit application reference that you waived the fees. Does that sound like a good plan of action?

Regards,

Kristin
