

AAA FIRE EXTINGUISHER CO.

"Fire Protection since 1968"

To: Portland Fire Dept, Fire Prevention, Building inspections

From: Brian @ AAA Fire Extinguisher Co.

Date: July 21, 2016

Ref: Sichuan kitchen appliance suppression system

Dear building inspector,

Sichuan Kitchen, 612 Congress Street, Portland, ME 04101

AAA Fire Extinguisher Company will be installing a wet chemical Amerex 4.75 gallon kitchen fire suppression system to UL300 specifications in the kitchen exhaust hood. The kitchen system will have nozzles protecting the kitchen hood, the duct and appliances. The system will have 2 means of actuation, 1 via manual pull release and the other with fusible links. The appliances will shut down automatically once the system has been actuated.

Scheduled installation date August

Thank you

Sincerely,

Brian Grondin
AAA Fire Extinguisher Co., Inc.
