

CITY OF PORTLAND, MAINE

HISTORIC PRESERVATION PROGRAM

Dear Applicant for Historic Preservation Review:

To receive a Certificate of Appropriateness for exterior or site alterations to a designated historic property, it is necessary for you to complete the enclosed application form and return it with a copy of proposed plans, drawings, specifications and application fee to the Department of Planning and Urban Development, Portland City Hall, 389 Congress Street, 4th Floor, Portland, Maine, 04101.

Following a preliminary review of your application, historic preservation staff will determine whether the project requires Historic Preservation Board review or whether an administrative review is appropriate. (Routine or minor projects, such as sign or awning installations, are typically reviewed at the staff level.) If necessary, you may be asked to submit additional information.

For projects requiring Board review, the application should be submitted at least two weeks prior to the desired meeting date of the Historic Preservation Board—see attached meeting schedule. The Board meets on the first and third Wednesdays of each month. **Fifteen copies of the application and supporting materials are required for Board reviews.**

Building and site alterations are reviewed for the conformance with the review standards of the historic preservation ordinance (attached). If your project involves new construction, a copy of the ordinance's new construction standards and guidelines is available upon request.

If you have questions about the application or would like guidance in meeting the ordinance review standards, feel free to contact me at 874-8726 or by e-mail at dga@portlandmaine.gov

Sincerely,

Deborah G. Andrews
Historic Preservation Program Manager

Note: Your project may also require a building permit. Please call Building Inspections (874-8703) to make this determination.

Date: April 30, 2015

HISTORIC PRESERVATION
APPLICATION FOR CERTIFICATE OF APPROPRIATENESS

Pursuant to review under the City of Portland's Historic Preservation Ordinance (Chapter 14, Article IX of the Portland City Code), application is hereby made for a Certificate of Appropriateness for the following work on the specified historic property:

PROJECT ADDRESS:

120 Spring Street, Portland ME, 04101

CHART/BLOCK/LOT: _____ (for staff use only)

PROJECT DESCRIPTION: Describe below each major component of your project. Describe how the proposed work will impact existing architectural features and/or building materials. If more space is needed, continue on a separate page. Attach drawings, photographs and/or specifications as necessary to fully illustrate your project—see following page for suggested attachments.

Proposed changes to our property are all restorative in nature - repairing fences and walkways, completing gutters with missing sections to allow for better drainage, and repointing brickwork to prevent water damage.

1. Fences: We need to replace the existing privacy fence which runs along the rear side of the property line (adjacent to the city parking lot). The fence is currently a 6' wooden fence (figs.1a,1b) and we would like to keep the new design at 6', also wooden, but would prefer a design that would allow more light in - we are starting a garden in lieu of the asphalt driveway. Proposed design is the Maine Line Fence board w/ lattice (fig.3). We will also add a small space between the pickets (1"). We would like to add a 6' gate (to match new fence) that meets the building at its' rear corner, to replace the short gate (fig.1c) currently there...this will secure the entry for our young children when they are outside. We would also like to add a 15' length of fence in the back alley, along the property line between 120 and 122 Spring Street (fig.2). This could be removable - it will not be visible from the street. It will also be wooden but maybe a lighter design: we would like to add this so the children have a safe and enclosed space to play in the back of the house - currently the alley is open to passersby.

2. Walkways: We would like to add flagstones (natural, irregular, spaced slightly to allow grass /moss growth between) as paving along the walkway @ the side of the building to replace the current 14"x14" squares (figs.4a, 4b) which are incompatible with strollers. We will extend the flagstones to the rear entry / stairs (fig.5) and create a small patio for a table in the back. Proposed Blue Rock Industries Flagstone/Bluestone (fig.6).

3. Gutters: Currently the gutters are missing large sections and drain directly onto the side of the building (figs.7a, 7b), causing damage, and onto the front sidewalk, creating hazardous situations in winter. Proposed Gutter Pro (fig.8)

4. The brickwork at ground level needs repointing to avoid any water damage...they are showing signs of neglect.(figs.9a,9b).

Owner's Signature (if different)

Historic Preservation Application Fee Schedule:

- **Administrative Review** (for minor or standard alterations) \$50.00
- **HP Board Review** \$100.00
- **HP Board Review for major projects** involving new construction or building addition exceeding 1000 sq. ft. or comprehensive rehabilitation/redesign of existing structures \$750.00
- **After-the-fact Review** (for work commenced without advance approval) \$1000.00
- **Sign Review** for signs in historic districts \$75.00

Noticing/Advertisements for Historic Preservation Review

- Legal Advertisement: Percent of total bill
- Notices: .75 cents each
(notices are sent to neighbors prior to any workshop or public hearing meetings)

Activities Requiring Approval in Historic Districts

If your property is located within a historic district or is an individually designated historic structure, it is necessary to receive approval before proceeding with any exterior alteration, construction activity or site improvement that will be visible from a public way. Following is a list of activities requiring review.

Please check all those activities that apply to your proposed project.

Alterations and Repair

- Window and door replacement, including storms/screens
- Removal and/or replacement of architectural detailing (for example porch spindles and columns, railings, window moldings, and cornices)
- Porch replacement or construction of new porches
- Installation or replacement of siding
- Masonry work, including repointing, sandblasting, chemical cleaning, painting where the masonry has never been painted, or conversely, removal of paint where the masonry historically has been painted
- Installation or replacement of either roofing or gutters when they are a significant and integral feature of the structure
- Alteration of accessory structures such as garages

* can you recommend anyone for this work?

Additions and New Construction

- New Construction
- Building additions, including rooftop additions, dormers or decks
- Construction of accessory structures
- Installation of exterior access stairs or fire escapes
- Installation of antennas and satellite receiving dishes
- Installation of solar collectors
- Rooftop mechanicals

Signage and Exterior Utilities

- Installation or alteration of any exterior sign, awning, or related lighting
- Exterior lighting where proposed in conjunction with commercial and institutional signage or awnings
- Exterior utilities, including mechanical, plumbing, and electrical, where placed on or near clearly visible facades

Site Alterations

- Installation or modification of site features other than vegetation, including fencing, retaining walls, driveways, paving, and re-grading

Moving and Demolition

- Moving of structures or objects on the same site or to another site
- Any demolition or relocation of a landmark contributing and/or contributing structure within a district

Note: Your project may also require a building permit. Please call Building Inspections (874-8703) to make this determination.

ATTACHMENTS

To supplement your application, please submit the following items, *as applicable to your project*. Keep in mind that the information you provide the Historic Preservation Board and staff is the only description they will have of your project or design. Therefore, it should precisely illustrate the proposed alteration(s).

Exterior photographs (required for all applications.) Include general streetscape view, view of entire building & close-ups of affected area.

_____ Sketches or elevation drawings at a minimum 1/4" scale. Please label relevant dimensions. All plans shall be submitted in 11" x 17" format except for major projects, where 22" x 34" plans are requested. Applicants for major projects should submit one (1) 11" x 17" copy for scanning purposes.

_____ Details or sections, where applicable.

_____ Floor plans, where applicable.

Site plan showing relative location of adjoining structures.

Catalog cuts or product information (e.g. proposed windows, doors, lighting fixtures)

Materials - list all visible exterior materials. Samples are helpful.

_____ Other(explain) _____

If you have any questions or need assistance in completing this form, please contact Historic Preservation staff: Deb Andrews (874-8726) or by e-mail at dga@portlandmaine.gov

Please return this form, application fee (see attached fee schedule), and related materials to:

Historic Preservation Program
Department of Planning and Urban Development
Portland City Hall, 4th Floor
389 Congress Street
Portland, ME 04101

Application Deadlines for Historic Preservation Board Review 2012

The Historic Preservation Board meets on the first and third Wednesday of each month. Meetings begin at 5:00 and are held in Room 209 of City Hall. Please confirm meeting time and location before your meeting, as unforeseen changes may occur.

In order for your proposal to be scheduled for a Historic Preservation Board meeting, **15 copies of your complete application, plus the application fee**, must be received by the Planning Division **no later than Wednesday, two weeks prior to the scheduled meeting**. (See application deadlines below.) Applications received after the deadline will be considered for a subsequent meeting.

Application Deadline	2012 Meeting Dates	
December 21, 2011	January 4	
January 4	January 18	
January 18	February 1	
February 1	February 15	
February 22	March 7	
March 7	March 21	
March 21	April 4	
April 4	April 18	
April 18	May 2	
May 2	May 16	
May 23	June 6	
June 6	June 20	
June 27	July 11	
July 11	July 25	
July 25	August 8	<i>Note: only 1 meeting in August</i>
August 22	September 5	
September 5	September 19	
September 19	October 3	
October 3	October 17	
October 24	November 7	
November 7	November 21	
November 21	December 5	<i>Note: only 1 meeting in December</i>

Note: Submission of an application by the deadline does not guarantee that you will be on the next meeting agenda. If the Planning Division receives more applications than can be reasonably reviewed in one meeting, staff reserves the option of postponing some items to the following meeting.

Standards for Review of Alterations to Historic Buildings

In considering an application for a Certificate of Appropriateness involving alterations, the Historic Preservation Board and Staff the following review standards, as provided in the City's historic preservation ordinance:

- (1) Every reasonable effort shall be made to provide a compatible use for the property which requires minimal alteration to the character-defining features of the structure, object or site and its environment or to use a property for its originally intended purpose.
- (2) The distinguishing original qualities or character of a structure, object or site and its environment shall not be destroyed. The removal or alteration of any historic material or distinctive architectural features should be avoided when possible.
- (3) All sites, structures and objects shall be recognized as products of their own time, place and use. Alterations that have no historical basis or create a false sense of historical development such as adding conjectural features or elements from other properties shall be discouraged.
- (4) Changes which may have taken place in the course of time are evidence of the history and development of a structure, object or site and its environment. Changes that have acquired significance in their own right, shall not be destroyed.
- (5) Distinctive features, finishes, and construction techniques or examples of skilled craftsmanship which characterize a structure, object or site shall be treated with sensitivity.
- (6) Deteriorated historic features shall be repaired rather than replaced wherever feasible. Where the severity of deterioration requires replacement of a distinctive feature, the new feature should match the feature being replaced in composition, design, texture and other visual qualities and, where possible, materials. Repair or replacement of missing historic features should be based on accurate duplications of features, substantiated by documentary, physical or pictorial evidence rather than on conjectural designs or the availability of different architectural elements from other structures or objects.
- (7) The surface cleaning of structures and objects, if appropriate, shall be undertaken with the gentlest means possible. Chemical or physical treatments, such as sandblasting, that cause damage to historic materials shall not be undertaken.
- (8) Every reasonable effort shall be made to protect and preserve significant archeological resources affected by or adjacent to any project. If resources must be disturbed, mitigation measures shall be undertaken.
- (9) Contemporary design for alterations and additions to existing properties shall not be discouraged when such alterations and additions do not destroy significant cultural, historical, architectural or archeological materials that characterize the property. The new work shall be differentiated from the old and shall be compatible with the size, scale, color, material and character of the property, neighborhood or environment.
- (10) Wherever possible, new additions or alterations to structures and objects shall be undertaken in such a manner that, if such additions or alterations were to be removed in the future, the essential form and integrity of the historic property would be unimpaired.
