

To Whom it may Concern,

The purpose of this letter is to allow permission to Brian Kowtko and Matt Chamberlain, who are the principal owners of Home Inc. located at my property at 129 Spring Street in Portland, ME, to install the proposed signage for their new deli which they plan to open soon. Their proposed removable vinyl window decal of their business logo and a exterior removable sign flanking the front door have been discussed with me and I approve their plan.

Sincerely,

George Simas
