CITY OF PORTLAND, MAINE  
DEPARTMENT OF BUILDING INSPECTION

Robert L Perrin  
27 High St.  
Portland Maine

November 24, 1964

Dear Sir:

With relation to permit applied for to demolish a building or  
portion of building at #27 High St. (2-car garage attached to dwelling)  
it is unlawful to  
commence demolition work until a permit has been issued from this  
department.

Section 6 of the ordinance for rodent and vermin control pro-  
vides: "It shall be unlawful to demolish any building or structure  
unless provision is made for rodent and vermin eradication. No permit  
for the demolition of a building or structure shall be issued by the  
Building Inspector until and unless provisions for rodent and vermin  
eradication have been carried out under supervision of a pest control  
operator registered with the Health Department.

The building permit for demolition cannot be issued until the  
provisions of this section have been satisfied. It is the obligation  
of owner or demolition contractor or both to take up with the Health  
Department the matter of complying with this section, being prepared  
to inform that department what registered pest control operator is to be  
employed.

Very truly yours,

*Albert J. Sears*

## NOTES

5/12/15 West Des Moines

A large, handwritten 'X' mark is drawn on a background of horizontal lines. The 'X' is formed by two intersecting diagonal lines that cross in the center. The lines are dark and slightly irregular, suggesting they were drawn with a pen or marker. The background consists of many thin, horizontal lines spaced evenly apart.

STATEMENT ACCOMPANYING APPLICATION FOR BUILDING PERMIT  
for 2-story enclosed piazza  
at 25 High Street Date 10/21/38

1. In whose name in the title of the property now recorded? John H. Smith
2. Are the boundaries of the property in the vicinity of the proposed work shown clearly on the ground, and how? Yes
3. Is the outline of the proposed work now staked out upon the ground? Yes If not, will you notify the Inspection Office when the work is staked out and before any of the work is commenced? Yes
4. What is to be maximum projection or overhang of eaves or drip? 12"
5. Do you assume full responsibility for the correctness of the location plan or statement of location filed with this application, and does it show the complete outline of the proposed work on the ground, including bay windows, porches, and other projections? Yes
6. Do you assume full responsibility for the correctness of all statements in the application concerning the sizes, design and use of the proposed building? Yes
7. Do you understand that in case changes are proposed in the location of the work or in any of the details specified in the application that a revised plan and application must be submitted to this office before the changes are made? Yes

Rept. 3212C-I

October 31, 1938

Homo Construction Co.  
810 Congress Street  
Portland, Maine

Gentlemen:

Enclosed is the building permit covering alterations of the two family dwelling house at 25 High Street.

The permit is given upon the condition that the wall of the present two story shed to be replaced by the new enclosed porch next to the northerly side property line is to be entirely removed, since the corner post is not proper and the studs are only 2x3; also that adequate gutters, conductor pipes, etc., be provided and connected to the sewer or otherwise so that water from the roof of the new porch will not run upon the adjoining property or do damage to the foundations of this or any other building.

Please be governed accordingly.

Very truly yours,

Inspector of Buildings
