Barry,

Hoping this email will do for a "ability to serve" letter?

Time Warner Cable does have existing cable plant in the scope of work area and will be able to provide all our services to the project. A 4 inch conduit with rope will be needed to provide services to the bldg(s). I will need to get asset of Power company plans to see how/route they are going to take to provide pwr. I'll also need to get involved in a few of the first preconstruction utility meetings etc.

Please keep me in the loop and have a good weekend..

Mark

Subject: Ability to serve letter for a new JB Brown mixed use building project

Hi Mark,

JB Brown & Sons is proposing to construct a new 5-story mixed use building and parking garage within the city block between York Street, High Street and Danforth Street. The project will provide 63 apartments, 17,000 sf flexible commercial space, and around 200 parking spaces. As part of the site permitting process, we need to provide the City with "ability to serve" letters from the various utility companies. I was hoping you could provide me with that letter. Opechee Construction Corporation is the same design/build general contractor that constructed the Marriott Courtyard on Commercial Street. If you require any information, please contact me.

Thank you,

Barry Stowe
