Paul, Zoning requirements state a plot plan is required for a sign permit. Please provide one. I will enter the permit in & send you a confirmation e-mail with an invoice, however it cannot be sent forward until:

1. The plot plan is provided
2. The application is paid for.

I am resubmitting documentation to support the above application. They were previously sent in a zip file which did not make it to you.

Please let me know if you need anything additional.
