2.2 **Use and Maintenance of the Project.** The Manager agrees not to knowingly permit the use of the Parking Project for any purpose which might void or increase the rates of any policy of insurance held by the Owner or which might render any loss insured thereunder uncollectible, or which would be in violation of any governmental restriction, statute, ordinance, rule, or regulation. It shall be the duty of the Manager at all times during the term of the Agreement to operate and maintain the Parking Project according to the highest standards achievable consistent with the expressed plan of the Owner.

The Owner authorizes the Manager to request, demand, collect and receive all such charges and to institute legal proceedings in the name of, and as an expense reimbursable by, the Owner for the collection hereof and for the dispossession of all persons and vehicles from the Parking Project. Notwithstanding the foregoing or anything else to the contrary herein, it is hereby agreed and acknowledged that for purposes of those parking areas located at said 49 Danforth Street, 14 York Street and 40 Maple Street, Manager's obligations hereunder (including for purposes of maintenance and collection of Gross Revenue (as such term is defined below)) shall be limited to the following time periods: Monday-Friday, 6:00 p.m. to 2:00 a.m. and Saturday and Sunday, 8:00 a.m. to 2:00 a.m.. For any individual item of repair or replacement, the nonbudgeted expenses incurred shall not exceed the sum of Three Thousand Dollars (\$3,000) unless specifically authorized in advance by the Owner, excepting, however, that emergency repairs immediately necessary for the preservation and safety of the Parking Project or to avoid danger to life or property may be made by the Manager without the prior approval of the Owner, and at Owner's cost and expense.

(c) **Equipment and Supplies.** If applicable, make all arrangements for the furnishing to the Parking Project of maintenance and other services and for the acquisition of equipment and supplies as necessary for the management, operation, maintenance, and servicing of the Parking Project, provided, however, the nonbudgeted purchase of any single piece of equipment or order of supplies in excess of Five Thousand Dollars (\$5,000) shall not be made without the consent of the Owner, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, it is hereby agreed and acknowledged that, on those parking areas located at said 68 Danforth Street and 14 York Street, Manager shall have the right, at in its sole and absolute discretion, to install signage and certain "pay-by-space" equipment to control access to and from the Parking Project, all without the consent of the Owner.

(d) **Personnel.** Employ such on-site maintenance and attendant personnel as are necessary in order to maintain the Parking Project in a first-class condition. All such on-site maintenance persons shall be employees of the Manager. The costs and expenses of such employees shall be reimbursed by the Owner, which expenses shall be subject to the advance approval of the Owner in the form of an annual budget for personnel included in the budget prepared by Manager for Owner's approval under Section 6.3 of this Agreement, and shall include but shall not be limited to salary, payroll expenses, withholding taxes, and Manager's standard employee benefits, all of which shall be similar to those offered to all other employees of the Manager.

(e) **Insurance Coverage.** Owner shall, at its sole expense, cause to be placed and kept in force all forms of insurance required by the terms of this paragraph and Owner's lender pursuant to any mortgage secured by all or any part of the Parking Project in order to protect the Owner, Manager and Owner's lender, including but not limited to (i) "all risk" direct damage property insurance on replacement cost terms for the full value of the structure and improvements, including builder's risk insurance and demolition, debris removal and increased cost coverage where applicable, to cover physical loss or damage to the Parking Project from fire and extended coverage perils, including but not limited to vandalism and malicious mischief; and (ii) comprehensive or commercial general liability insurance, on an occurrence (not claims - made) form, in an amount not less than \$5,000,000 each occurrence with respect to the Property and covering third-party personal injury, property damage, and bodily injury (including death). The Owner shall provide the Manager with a duplicate copy of the original policy, and the Manager shall thereafter keep such insurance in force to the extent monies are available from the operation of the Parking Project. The Manager shall promptly investigate and make a full, timely written report to the applicable insurance company, with a copy to the Owner, as to all accidents, claims, or damage relating to the ownership, operation, and maintenance of the Parking Project, any damage or destruction to the Parking Project and the estimated cost of repair thereof, and shall prepare any and all reports required by any insurance company in connection therewith. All such reports shall be filed timely with the insurance company as required under the terms of the insurance policy involved. Unless authorized by Owner, the Manager shall have no right to settle, compromise, or otherwise dispose of any claims, demands, or liabilities, whether or not covered by insurance, without the prior written consent of the Owner. The Owner shall name the Manager as an additional insured on the Owner's commercial general liability insurance policy or policies obtained hereunder with respect to the Parking Project using ISO Form CG 20260704 without modification. Unless the Owner shall provide such insurance

and furnish a duplicate copy of the original policy within sixty (60) days from the date of this Agreement, the Manager may, but shall not be obligated to, place said insurance and charge the cost thereof to the account of the Owner. All such insurance policies shall provide that the Manager shall receive not less than thirty (30) days written notice prior to cancellation of the policies.

Effective as of the commencement date of the term of this Agreement, Manager shall maintain in full force and effect, with insurance companies and in such form as are reasonably satisfactory to Owner, the following insurance with respect to all operations at or from the Parking Project, with the Owner named as additional insured on all policies:

(4) Garage keepers and business automobile insurance covering vehicles being stolen, damaged in a collision, or vandalized; and

Certificates as to the effectiveness of all insurance policies required hereinabove shall be delivered to Owner and/or Manager on a timely basis.

Notwithstanding the foregoing or anything else to the contrary herein, it is hereby agreed and acknowledged that Manager is not required to provide insurance coverage on any of Owner's vehicles and that Owner shall maintain insurance coverage on such vehicles in such form and substance to reasonably and customarily protect Manager and Owner from types of claims that may arise out of or result from Manager operating Owner's vehicles, provided, however, that, throughout the term of this Agreement, upon Owner's request, Manager shall provide Owner with a current list of all of Manager's drivers for Owner's vehicles in order for Owner to run proper background checks on such drivers as required by Owners' insurance.

The Manager shall use best efforts to remedy the violation of any such law, ordinance, rule, regulation or order of which it has actual knowledge and which violation occurs after the date hereof, at the Owner's expense. Expenses incurred in so complying and in correcting any such violation shall be included in the budget prepared by the Manager and approved by the Owner under Section 6.2 of this Agreement or shall be otherwise approved in advance by the Owner. Notwithstanding the foregoing, however, the Manager's responsibilities under this Section shall not extend to matters as to which the expenditure of the Owner's funds is required but disapproved by the Owner or such funds are not made available by the Owner.

**2.5 Notices from Third Parties.** All notices from a mortgagee, ground lessor, or other party applicable to the Parking Project received by the Manager and all notices from any governmental or official entity applicable to the Parking Project received by the Manager shall be forthwith delivered to the Owner by the Manager.

## 2.6 Waiver and Indemnification.

(a) **Waiver.** It is understood and agreed that neither the Owner nor the Manager makes any representations or warranties with respect to the profitability of the Parking Project.

(b) **Indemnification by Owner.** The Owner shall be responsible for and shall indemnify, defend, and hold the Manager and its affiliates and each of their respective officers, directors, employees, stockholders, partners, agents and each of their respective successors and assigns harmless from and against all claims, losses and liabilities (including costs and reasonable attorneys fees as such fees are periodically incurred) incurred by Manager arising directly or indirectly out of or resulting in any way from or in connection with the Parking Project, the management of the Parking Project by the Manager, or the performance or exercise by the Manager of the duties, obligations, powers, or authorities herein, or hereafter granted to the Manager, (including claims, losses and liabilities arising from the negligence of Manager, but only to the extent such claims, losses and liabilities arising from the negligence of Manager are covered (or would have been covered ) under the policies of insurance that the Owner is required to carry under paragraph 2.3 (e) of this Agreement, including any deductibles or self insured retentions).

(c) **Waiver of Claims.** Anything in this Agreement to the contrary notwithstanding, Owner hereby waives and releases Manager of, and from, any and all right of recovery, claim, action, or cause of action against Manager, Manager's agents, officers, and employees, for any loss or damage that may occur to the property, improvements to the Property, or personal property within the Property, by reason of fire or the elements, or other casualty or insured peril, regardless of cause or origin, including negligence of Manager and Manager's agents, officers, and employees, to the extent the same is to be insured against under insurance policies carried by Owner (or required to be carried by Owner pursuant to paragraph 2.3 (e) of this Agreement), including any deductibles or self-insured retentions. Owner agrees to obtain a waiver of subrogation from the respective insurance companies which have issued policies of insurance covering all risk of direct physical loss and to have the insurance policies endorsed, if necessary, to prevent the invalidation of the insurance coverages by reason of this waiver. In the event that the waiver of subrogation is not generally available, or in the event that the cost of obtaining the waiver of subrogation is excessive, then Owner shall notify Manager of such and Owner shall not be required to provide such waiver, provided, however, in such event Manager shall have the option to terminate this Agreement effective upon losing coverage with the waiver of subrogation.

### (d) **Indemnification by Manager.**

(1) Manager agrees to indemnify and hold the Owner and its affiliates and each of their respective employees, officers, directors, and agents harmless from and against any and all costs, expenses, attorneys' fees, suits, liabilities, damages, or claim for damages, in any way arising out of (i) any negligent acts or omissions of Manager, its agents or and not otherwise insured under property or liability policies, including deductibles and retentions, required to be maintained by Owner under this Agreement; (ii) any failure of Manager to promptly perform in any material respect any of its obligations under this Agreement, to the extent the loss is not otherwise insured under property or liability policies, including deductibles and retentions, required to be maintained by Owner under this Agreement or provided such failure was not caused by Owner or by events beyond the reasonable control of Manager, and Owner has furnished to Manager sufficient funds to perform such obligations; or (iii) any acts of Manager beyond the scope of Manager's authority hereunder or any willful misconduct by Manager or intentional breach of this Agreement. However, it is agreed that under no circumstances shall Manager or Owner be held liable to the other party or to any other party for loss or damage arising out of alleged or actual terrorist acts.

(2) The Manager shall indemnify, defend, and save Owner harmless from all claims, investigations, and suits or from actions or failures to act of Manager, with respect to any alleged or actual violation of state or federal labor laws, it being expressly agreed and understood that as between the Owner and the Manager, it shall be the responsibility of the Manager to comply with all applicable state or federal labor laws with respect to Manager's employees. The Manager's obligation under this Section 2.6(d) (2) shall include the payment of all settlements, judgments, damages, liquidation damages, penalties, forfeitures, back pay awards, court costs, litigation expense and attorneys' fees arising from any such violation or alleged violation. Notwithstanding anything to the contrary in this paragraph 2.6 (d) (2), if any such alleged or actual violation of state or federal labor laws results from Owner's direction of Manager or Owner's actions, Owner shall indemnify, defend and save Manager harmless from all claims, investigations, suits and other matters or sums described in this paragraph.
