Yes. It has been our practice to waive the fees since this is still a City owned facility.

Anita

Are the fees waived for this project? The Maine DOT is the tenant.

Hi Lannie,

Attached please find a completed Building Permit Application, Site Plan Administrative Authorization form, and construction drawings for a small toilet room addition to the maintenance building at the Portland International Marine Terminal at 468 Commercial Street.

Have a great weekend.

Thanks,

Stephen Weatherhead
