Dear Captain Petruccelli:

I am writing to follow up on my telephone call to your office on July 25, 2017. I had called in response to your letter of July 14, 2017 requesting an inspection. As I explained to your assistant, we have no tenants presently. We have applied for a building permit to renovate the building. We will not have any tenants until the work is done. As soon as we complete the renovations, we will notify your office so that you can conduct an inspection and confirm that it meets the applicable codes and requirements.

Please do not hesitate to contact me should you have any additional questions about the property.

Thank you for your consideration.

Sincerely,

John R. Tebbetts
