**UNITS AND/OR UNITS**

**Section 9.1.** The following restrictions shall apply to the use of the Condominium:

(a) Residential Use Restrictions. The Units, Limited Common Elements and Common Elements (with the exception of any such Units during the time period when they are being used by the Declarant as a sample, model or sales office) are restricted to residential use. The Units may not be used for any other purposes by the Owner or any future Owner. No present or future owner of any Unit shall permit his Unit to be used or occupied for any purpose other than as a single family residence. Notwithstanding any of the foregoing, an Owner may use a Unit for the purpose of a home office, provided, however, that any such use complies with all applicable state and local laws and ordinances, and that such use is otherwise consistent with the Condominium Documents.

(b) Obstruction of Common Elements. No Owner may obstruct the Common Elements in any way. No Owner may store anything in or on the Common Elements without the prior written consent of the Executive Board.

(c) Quiet Enjoyment. No Owner may carry on any practice, or permit any practice to be carried on, which unreasonably interferes with the quiet enjoyment of the occupants of any other Unit. The Property is to be maintained in a clean and sanitary condition, and no Owner may place any garbage, trash or rubbish anywhere in the Property other than in his own Unit and in or on such parts of the Common Elements as may be designated for such purpose by the Executive Board.

(d) Fire Hazards. No Unit shall be used, occupied or kept in a manner that in any way increases the fire insurance premiums for the property without the prior written permission of the Executive Board.

(e) Signs. No Owner (other than the Declarant in connection with its marketing and sale of the Units) may erect any sign on or in his Unit or any Limited Common Element which is visible from outside his Unit or from the Common Elements, without in each instance having obtained the prior written permission of the Executive Board.

(f) Pets and Animals.

(1) No animals, except as common household pets in accordance with the Rules and Regulations, shall be kept or maintained on the property, nor shall common household pets be kept, bred or maintained for commercial purposes on the Property. Owners are responsible for immediate clean-up of pet waste. Unless otherwise permitted by the Board, authorized pets shall not be permitted outside of Units unless they are accompanied by an adult person and carried or leashed. The Board of Directors may make further provisions in the Rules for the control and regulation of household pets in the Condominium. The owner of a unit where a pet is kept or maintained shall be responsible and may be assessed by the Board of Directors for all damages to the property resulting from the maintenance or conduct of said pet, and any costs incurred by the Association in enforcing the Rules prescribed or to be prescribed by the Board of Directors for the control and regulation of pets in the Condominium and each such owner shall be deemed to indemnify and hold the Board harmless against such loss or liability resulting from said pet.

(2) Notwithstanding anything herein to the contrary, the following aggressive dog breeds are prohibited: Akita; American Staffordshire Terrier (a.k.a. Pit Bull); Bernese Mountain Dog (a.k.a. Bernese Cattle Dog); Canario (a.k.a. Pressa Canario); Chow Chow (a.k.a. Chow); Doberman Pinscher; German Shepherd; Grate Dane; Huskies (including American, Eskimo, and Greenland Huskies but not including Siberian Huskies); Karelian Bear Dog (a.k.a. Laika); Malamute (a.k.a. Alaskan Malamute); Mastif; Rhodesian Ridgeback; Rottweiler; Saint Bernard; and Staffordshire Bull Terrier (a.k.a. Pit Bull); provided however, that service dogs are exempt from the foregoing prohibition regardless of breed. The Association may further regulate or exclude from the Condominium additional specific breeds or species of dogs or other pets as determined by the Board to be necessary for the safety and quiet enjoyment of the Condominium and as necessary to conform with any insurance requirements relating to the Condominium.

(g) Rules and Regulations. The Executive Board shall promulgate reasonable Rules and Regulations, not in conflict with the provisions of this Declaration, concerning the use and enjoyment of the Property. Copies of the then current Rules and Regulations and any amendments thereto shall be

furnished to all Owners by the Association promptly after the adoption of such Rules and Regulations and any amendments thereto.

(h) Alterations to Units. Except as otherwise provided herein, no Unit shall be substantially altered, remodeled or renovated unless such alteration, remodeling or renovation shall be approved by a majority vote of the Executive Board of the Association. Executive Board approval shall not be required for minor alterations or renovations that do not affect the structural integrity of any Common Elements. For purposes of this paragraph, the term "minor alterations or renovations" shall specifically include, without limitation, the following: interior painting, wallpaper installation, carpet installation, refinishing of hardwood flooring, installation of lighting fixtures, and bathroom or kitchen remodeling projects that do not affect the structural integrity of any Common Elements.

(i) Connection of Adjoining Units and Limited Common Areas. If the record Owners of the subject Unit(s) affirmatively elect, with the written approval of the Board of Directors of the Association based on each Owner's compliance with the standards set forth hereinafter, all to be evidenced by a recorded instrument duly executed and acknowledged, that portion of the Common Elements located between the boundary lines of adjoining Units or located between a Unit and an adjoining Limited Common Element (with the consent of any other units sharing the same), may be thereby subjected to an easement in favor of each such Unit respectively running to the midpoint of the space between each Unit or to the Limited Common Element for the removal and alteration of any intervening partition and the creation of apertures therein for passage back and forth between the two units or to the limited common element, and for the installation of stairs, doors, windows and frames appurtenant thereto. The participating Owners shall be strictly liable for any resulting damage. At all times after such election each unit owner: shall preserve and maintain the structural integrity and architectural style, the mechanical and utility systems, and the support of all portions of the Property and Common Elements; and shall strictly comply with all fire, building code and other governmental laws, ordinances and requirements. Any such unit Owner or his respective heirs, mortgagees or assigns, may at any time revoke such election by instrument duly executed and acknowledged served on the other such owners and duly recorded, and thereafter may seal up passageways and/or remove the stairs, doors and their frames, and/or install a permanent wall, floor ceiling or other partitions, at all times preserving the structural integrity, the mechanical and utility systems and support of all portions of the Property. Nothing contained herein shall be deemed to merge or otherwise affect the separate identity, configuration or the boundaries of said Units.

(j) Labor, Mechanic's Liens. No Owner shall cause any material to be furnished to his Unit or any labor to be performed therein or thereon except in the manner set forth in subparagraph (h) and (i) above. Each Owner shall indemnify and hold the other Owners of his Unit harmless against any loss, damage or claim arising out of his breach of the provisions of this Section 9.1, including but not limited to the costs of removing any unauthorized improvements, any repairing and restoring the Unit to substantially its condition prior to such alteration, remodeling, renovation or repair and the cost of removing, bonding, defending or paying any mechanic's or materialmen's liens.

## **Section 9.2. Sale and Lease of Units.**

The Declarant may establish and maintain in the Units and Common Elements, all offices, signs and other accoutrements normally used in the operation of, such rental properties in the sole discretion of the Declarant. Such operation shall be for the benefit of the Declarant and neither the Association nor any Owner (other than the Declarant) shall have any right or interest in the profits or losses thereof.

(b) There shall be no mandatory rental program offered to the Owners by Declarant, Managing Agent or any third parties. An Owner other than the Declarant may lease his or her unit,

however the Executive Board may prescribe by resolution a form of lease or specific provisions to be included in any lease of a Unit owned by a party other than the Declarant, and thereafter no Owner other than the Declarant shall execute a lease of his Unit that is not in compliance with such resolution. Each tenant and lease shall be subject to the covenants, restrictions and conditions set forth in the Declaration.

(c) This Section 9.2 shall not be deemed or construed to impair a Mortgagee's right to foreclose, accept a deed in lieu of foreclosure or sell or lease a Unit so acquired by the Mortgagee.

**Section 9.3.** Time Share Ownership Prohibited. No ownership interest in any Unit shall or may be subdivided to permit "time sharing" or any other devices to effect interval ownership. For the purposes of this subsection, such devices shall be deemed to include, without limitation, the use of corporations, partnerships and tenancies in common in which four or more persons not members of a single household have acquired by means other than inheritance, devise or operation of law, a direct or indirect, equitable or legal, right to occupy or arrangement, formal or informal regarding occupancy of the same unit.

## **ARTICLE 10**

### **DEVELOPMENT RIGHTS AND SPECIAL DECLARANT RIGHTS**

**Section 10.1.** General Development Rights. In addition to the easement rights reserved in Article 8, the Declarant reserves to itself and for the benefit of its successors and assigns the right:

(a) Until the construction, marketing and sale of all Units is completed, to connect with and make use of utility lines, wires, pipes and conduits located on the Property for construction and sales purposes, provided that the Declarant shall be responsible for the cost of services so used;

(b) Until the construction, marketing and sale of all Units is completed, to use the Common Elements for ingress and egress, for the repair and construction of Units and Common Elements including the movement and temporary storage of construction materials and equipment, and for the installation of signs and lighting for sales and promotional purposes;

(c) Until the construction, marketing and sale of all Units is completed, including any future Units which may be created under this Declaration, to subdivide or convert Units into Common Elements, to withdraw Units or real estate from the Condominium and any and all other Development Rights as are now allowed or in the future may be allowed by the Condominium Act. The locations and dimensions of the land subject to withdrawal are shown on the Plats and Plans. No land may be withdrawn from the Condominium if a Unit has been legally located on such land unless the Owner and any Eligible Mortgage Holder of the Unit have consented. No easement rights may be withdrawn in connection with such withdrawn land across any existing Unit unless the Owner and any Eligible Mortgage Holder of the Unit have consented. Once such land and associated easements have been withdrawn, they shall not longer be subject to the terms of this Declaration or any of the covenants and restrictions set forth herein. Any withdrawal of land must be structured so that the balance of the Condominium complies with applicable zoning and subdivision ordinance requirements. Declarant reserves the right to withdraw portions of said land at different times and in separate portions with boundaries other than those depicted on the Plats and Plans and in such order as it deems appropriate, provided, however, that land other than that depicted on the Plats and Plans shall not be withdrawn. Otherwise no consent of the Association, any Unit owners or the Association is required. Once such land has been withdrawn it shall be released from all terms, covenants and restrictions set forth in this Declaration, and it may be developed and used in any manner permitted by local land use ordinances and regulations as they may vary; and

(d) Until the construction, marketing and sale of all Units is completed, to complete all improvements shown on the Plats and Plans, to relocate any improvements shown on the Plats and Plans, construct additional Common Element improvements on any part of the Property, to exercise the

Development Rights set forth herein, to maintain models and sales offices and to exercise the easements as set forth in Article 8 hereof, to make the Condominium part of a larger condominium, to make the Condominium subject to a master association, to appoint or remove any officer or Executive Board member during any period of Declarant control of the Association and any and all other Special Declarant Rights as are now allowed or in the future may be allowed by the Condominium Act. The real estate subject to these Development Rights and Special Declarant Rights is all of the Property, except those portions lying within the boundaries of declared Units and upon which declared Units are located.

(e) Appoint and remove members of the Board of Directors and Officers of the Association in accordance with Section 12.1.

**Section 10.2. Exercise of Rights.** The exercise of the Development Rights and Special Declarant Rights reserved herein shall be in accordance with and governed by the provisions of the Condominium Act, including without limitation Section 1602-110 of the Act. A copy of all amendments to this Declaration prepared by Declarant shall be forwarded to Eligible Mortgage Holders upon request. Further, in accordance with Section 1602-109(f) of the Condominium Act, the Declarant will either record new Plats and Plans or record an affidavit that the Plats and Plans previously recorded conform to the requirements of the Act.

**Section 10.3. Amendment.** This Article 10 shall not be amended without the written consent of the Declarant duly recorded in the Cumberland County Registry of Deeds.

**ARTICLE 11**  
**UNITS SUBJECT TO CONDOMINIUM DOCUMENTS,**  
**EMINENT DOMAIN**

**Section 11.1. Applicability of Condominium Documents.** Each present and future Owner, tenant, occupant and Mortgagee of a Unit therein shall be subject to and shall comply with the provisions of the Act, and with the covenants, conditions and restrictions as set forth in the Condominium Documents and the deed to such Unit; provided that nothing contained herein shall impose upon any tenant of a Unit or Mortgagee any obligation which the Act or one or more of such documents, or both, make applicable only to Owners (including, without limitation, the obligation to pay assessments for Common Expenses). The acceptance of a deed or mortgage to any Unit therein, or the entering into of a lease or the entering into occupancy of any Unit therein shall constitute an agreement that the provisions of the Act and the covenants, conditions and restrictions set forth in the Condominium Documents and the deed to such Unit therein are accepted and ratified by such grantee, Mortgagee or tenant. All of such provisions shall be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance, mortgage, contract or lease thereof. The Association and any aggrieved Owner shall have a right of action against Owners who fail to comply with the provisions of the Condominium Documents, the Act, or with decisions made by the Association or the Executive Board. Aggrieved Owners shall have similar rights of action against the Association.

**Section 11.2. Eminent Domain.** Whenever all or part of the Common Elements shall be taken, injured or destroyed by eminent domain, each Owner shall be entitled to notice thereof and to participate in the proceedings incident thereto, provided, however, that the Association shall officially, represent the Owners in such proceedings. In any proceedings for the determination of damages, such damages shall be determined for such taking, injury or destruction as a whole and not for each Owner's interest therein and any award for such damages shall be payable to the Association for the benefit of the Owners and Mortgagees. Notwithstanding the foregoing, if the Association elects to distribute such award of damages to the Owners, any amount payable to an Owner shall be paid instead to the Owner's Mortgagee upon the written request of such Mortgagee to an officer of the Executive Board.

**ARTICLE 12**  
**EXECUTIVE BOARD OF THE ASSOCIATION**

**Section 12.1. Members.**

(a) The initial Executive Board shall consist of three (3) members. The members of the initial Executive Board shall be appointed, removed and replaced from time to time by the Declarant without the necessity of obtaining resignations. The Declarant-appointed members of the Executive Board, which may include the Declarant, shall be replaced with Owners in accordance with the provisions of paragraph (b) of this Section 12.1.

(b) Not later than the earlier of (i) sixty (60) days after the conveyance of 75% of the Units to Owners other than the Declarant or (ii) seven (7) years following conveyance of the first Unit to an Owner other than the Declarant (the “**Period of Declarant Control**”), all members of the Executive Board appointed by the Declarant shall resign and the Owners (including the Declarant to the extent of any Units owned by the Declarant at that time) shall elect new members of the Executive Board in accordance with the Bylaws.

(c) The Executive Board shall possess all of the duties; and powers granted to the Executive Board by the Act.

**Section 12.2. Disputes.**

(a) Regarding Owners, Condominium, and Condominium Documents. Subject to Section 12.2(b), in the event of any dispute or disagreement between any Owners relating to the Property, or any questions of interpretation or application of the provisions of the Condominium Documents, the determination thereof by the Executive Board shall be final and binding on each and all such Owners. Notwithstanding the foregoing, any deadlock among the Owners or Executive Board that relates to the budget or any of the material matters set forth in Article 18 shall be submitted to binding arbitration, or alternatively to mediation if all the parties agree thereto, in accordance with the rules of the American Arbitration Association, which shall take place in Portland, Maine. The Executive Board shall have the authority to seek a declaratory judgment or other appropriate judicial relief in order to assist it in carrying out its responsibilities under this Section 12.2. All costs of obtaining such a judgment shall be borne by the disputants, or in the absence of disputants, by the Association as a Common Expense.

(b) Disputes with Declarant. In any dispute between one or more unit Owners and the Declarant regarding the Common Elements, the Board of Directors shall act for the unit Owners, and any agreement with respect thereto by the Board shall be conclusive and binding upon the unit owners. All claims, disputes and other matters in question between the Declarant, on the one hand, and the Association or any unit owners on the other hand, arising out of or relating to, a unit, the common elements, the limited common elements, this Declaration, the Bylaws, or the deed to any unit or the breach thereof, or the course of dealing between any unit owner, the Association and the Declarant, except for claims which have been waived by the acceptance of a deed, shall be decided by binding arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association then obtaining unless the parties mutually agree otherwise in writing. This agreement to arbitrate shall be specifically enforceable under the prevailing arbitration law. The award rendered by the arbitrators shall be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof. Notice of the demand for arbitration shall be filed in writing with the other parties and with the American Arbitration Association. The demand for arbitration shall be made within a reasonable time after the claim, dispute or other matter in question has arisen, and in no event shall it be made after the date when institution of legal or equitable proceedings based on such claim,

dispute or other matter in question would be barred by the applicable statute of limitations or other principals of law and equity.

**Section 12.3. Abating and Enjoining Violations by Owners.** The violation of any Rules and Regulations adopted by the Executive Board, the breach of any provision contained in the Bylaws or the breach of any provision of this Declaration or the Act by any Owner or tenant of such Owner, shall give the Executive Board the right, in addition to any other rights to which it may be entitled, to enjoin, abate or remedy by appropriate legal proceedings, either by law or in equity, the continuance of any such breach.

### **ARTICLE 13** **LIMITATION OF LIABILITY**

**Section 13.1. Limited Liability of the Executive Board.** The Executive Board, and its members in their capacity as members, officers and employees:

(a) Shall not be liable for the failure of any service to be obtained by the Executive Board and paid for by the Association, or for injury or damage to persons or property caused by the elements or by another Owner or person on the Property, or resulting from electricity, gas, water, rain, dust or sand which may leak or flow from the outside or from any part of the Buildings, or from any of its pipes, drains, conduits, appliances, or equipment, or from any other place unless in each such instance such injury or damage has been caused by the willful misconduct or gross negligence of the Association or the Executive Board;

(b) Shall not be liable to the Owners or any mortgagees as a result of the performance of the Executive Board members' duties for any mistakes of judgment, negligence or otherwise, except for the Executive Board members' own willful misconduct or gross negligence;

(c) Shall have no personal liability in contract to an Owner, any mortgagee, or any other person or entity under any agreement, check, contract, deed, lease, mortgage, instrument or transaction entered into by them on behalf of the Executive Board or the Association in the performance of the Executive Board members' duties;

(d) Shall not be liable to an Owner, or such Owner's tenants, employees, agents, customers or guests, for loss or damage caused by theft of or damage to personal property left by such Owner or his tenants, employees, agents, customers or guests in a Unit, or in or on the Common Elements or Limited Common Elements, except for the Executive Board members' own willful misconduct or gross negligence;

(e) Shall have no personal liability in tort to an Owner, any mortgagee, or any other person or entity, direct or imputed, by virtue of acts performed by or for them, except for the Executive Board members' own willful misconduct or gross negligence in the performance of their duties; and

(f) Shall have no personal liability arising out of the use, misuse or condition of the Buildings, or which might in any other way be assessed against or imputed to the Executive Board members as a result of or by virtue of their performance of their duties, except for the Executive Board members' own willful misconduct or gross negligence.

**Section 13.2. Indemnification.** Each member of the Executive Board in his capacity as an Executive Board member, officer or both, shall be indemnified by the Association against all expenses and liabilities, including attorneys' fees, reasonably incurred by or imposed upon him in connection with any proceeding in which he may become involved by reason of his being or having been a member and/or

officer of the Executive Board, or any settlement of any such proceeding, whether or not he is an Executive Board member, officer or both at the time such expenses are incurred, except in such cases wherein such Executive Board member and/or officer is adjudged guilty of willful misconduct or gross negligence in the performance of his duties or any other standard imposed by the Condominium Act; provided that, in the event of a settlement, this indemnification shall apply only if and when the Executive Board (with the affected member abstaining if he is then an Executive Board member) approves such settlement and reimbursement as being in the best interests of the Association. The indemnification by the Owners set forth in this Section 13.2 shall be paid by the Association on behalf of the Owners and shall constitute a Common Expense and shall be assessed and collectible as such. Such right of indemnification shall not be deemed exclusive of any other rights to which such Executive Board member and/or officer may be entitled as a matter of law or agreement or by vote of the Owners or otherwise.

**Section 13.3. Joint and Several Liability of Owners and Lessees.** Each Owner shall be jointly and severally liable with any tenants of the Unit owned by such Owner for all liabilities arising out of the ownership, occupancy, use, misuse, or condition of any Unit or any portion of the Common Elements or Limited Common Elements.

**Section 13.4. Defense of Claims.** Complaints filed in any State or Federal court brought against the Association, the Executive Board or the officers, employees or agents thereof their respective capacities as such, or the Condominium as a whole, shall be directed to the Executive Board of the Association, which shall promptly give written notice thereof to the Owners and the holders of any mortgages and such complaints shall be defended by the Association. The Owners and the holders of mortgages shall have no right to participate other than through the Association in such defense. Complaints of a nature specified in Section 13.3 hereof against one or more but less than all Owners shall be defended by such Owners who are defendants themselves and such Owners shall promptly give written notice of the institution of any such suit to the association and to the holders of any mortgages encumbering such Units.

## **ARTICLE 14**

### **ASSESSMENTS: LIABILITY OF OWNERS**

**Section 14.1. Power to Assess.** The Association, acting through the Executive Board in accordance with the Bylaws, shall have the power to fix and determine, from time to time, the sums necessary and adequate to provide for the Common Expenses, including, but not limited to such amounts as are necessary for the maintenance, repair and replacement of the Common Elements and Limited Common Elements as set forth in Section 7.2 hereof, such amounts as are necessary for uncollectible Assessments, budget deficits; such expenses as are necessary for the Association's share of any common expenses for any master association which the Association may now or hereafter be a member of; such reserves as are hereinafter described and such additional reserves as the Executive Board shall deem necessary or prudent, and such other expenses as are specifically provided for in the Condominium Act, this Declaration or the Bylaws. The Association shall establish an adequate reserve fund for maintenance, repair and replacement of those Common Elements, Limited Common Elements and Limited Common Property for which the Association is responsible which are anticipated to require replacement, repair or maintenance on a periodic basis, and to cover any deductible amount for insurance policies maintained by the Association. The reserve fund shall be funded as a part of the Common Expenses.

**Section 14.2. Assessments for Limited Common Expenses.** The Association, acting through the Executive Board in accordance with the Bylaws and as circumstances may reasonably require, shall assess Limited Common Expenses as follows: (i) If a Limited Common Expense only benefits a single Unit, that Limited Common Expense may be assessed solely against the Unit benefited; and (ii) If a Limited Common Expense benefits more than a single Unit but fewer than all the Units, that Limited Common Expense may be assessed exclusively against the Units benefited in equal proportion between such Units, or, at the election of the Executive Board, in proportion to the relative Common Expense

liabilities of such Units as between themselves, as the Executive Board may periodically determine, as those Common Expense liabilities may be changed as provided in Section 6.2 and **Exhibit B**.

**Section 14.3. Special Assessments.** If the cash requirement estimated at the beginning of any fiscal year shall prove to be insufficient to cover the actual Common Expenses for such fiscal year for any reason (including by way of illustration and not limitation, any Owner's non-payment of his Assessment or municipal assessments not yet assessed), the Executive Board shall have the power, at any time it deems necessary and proper, to levy one or more Special Assessments against each Owner. Special Assessments shall be due and payable in the manner and on the date set forth in the notice thereof.

**Section 14.4. Payment of Assessments.** Each Owner, including the Declarant to the extent it is the owner of any unsold Units, shall pay all Assessments levied by the Association. Liability for such assessments shall be determined in accordance with the formula set forth in **Exhibit B** hereto. Penalties for delinquent assessments shall be set forth in the Rules and Regulations of the Condominium. Notwithstanding anything herein to the contrary, and with respect to any assessments levied by the Association against Units owned by the Declarant, the Declarant in its discretion may elect: (a) in lieu of paying any monthly or other periodic assessments, to make an annual contribution to the Association on or before the last day of each calendar year in an amount equal to the value of services actually received by Declarant as a part of the Common Expenses or Limited Common Expenses for such year; or (b) to offset against such assessments the value of either (i) amounts paid directly by the Declarant for any expenses relating to the Common Expenses or Limited Common Expenses of the Condominium, or (ii) the value of any services provided by the Declarant for the benefit of the Association that would otherwise constitute a Common Expense or Limited Common Expense of the Condominium.

**Section 14.5. Failure to Fix New Assessments.** If the Executive Board shall fail to fix new Assessments for Common Expenses for the subsequent fiscal year before the expiration of any fiscal year, the Owners shall continue to pay the same sums they were paying for such Assessments during the fiscal year just ended and such sum shall be deemed to be the new Assessments for the succeeding fiscal year. If the Executive Board shall change the Assessment at a later date, the difference between the new Assessment, if greater, and the previous year's Assessment up to the effective date of the new Assessment shall be treated as if it were a Special Assessment under Section 14.2 hereof; thereafter each Owner shall pay the new Assessment. In the event the new Assessment is less than the previous year's Assessment, in the sole discretion of the Executive Board, the excess either shall be refunded to the Owners, credited against future Assessments or retained by the Association for reserves.

**Section 14.6. Exemption by Waiver.** No Owner may exempt himself from liability for the Common Expenses by waiver of the enjoyment of the right to use any of the Common Elements or by the abandonment of his Unit or otherwise.

**Section 14.7. Personal Liability of Owners.** All sums assessed by the Association as an Assessment, Special Assessment or Assessment for Limited Common Expenses shall constitute the personal liability of the Owner of the Unit so assessed and also, until fully paid, shall constitute a lien against such Unit pursuant to Section 1603-116 of the Condominium Act. The Association shall take action for failure to pay any assessment or other charges pursuant to Section 1603-116 of the Condominium Act. The delinquent Owner shall be obligated to pay (a) all expenses of the Executive Board, including reasonable attorneys' fees and costs, incurred in the collection of the delinquent assessment by legal proceedings or otherwise, and (b) any amounts paid by the Executive Board for taxes or on account of superior liens or otherwise to protect its lien, which expenses and amounts, together with accrued interest, shall be deemed to constitute part of the delinquent assessment and shall be collectible as such.

**Section 14.8. Liability of Purchaser of Unit for Unpaid Assessments.** Upon the voluntary sale, conveyance or any other voluntary transfer of a Unit or any interest therein, the grantee thereof shall not

be personally liable with the grantor thereof for all unpaid Assessments for Common Expenses, special assessments, Limited Common Expenses, which are a charge against the Unit as of the date of consummation of the sale, conveyance or transfer, unless such grantee agrees to assume the obligation therefor. A lien against the Unit so purchased for Assessments imposed pursuant to this Declaration or the Condominium Act shall not be affected by such sale, conveyance or other transfer, however.

**Section 14.9. Subordination of Certain Charges.** Any Assessments or any fees, charges, late charges, fines and interest that may be levied by the Association pursuant to Section 1603-102 of the Condominium Act or otherwise shall be subordinate to any first mortgage lien recorded before the due date of the Assessment or the due date of the first installment payable on the Assessment.

**Section 14.10. Surplus.** The Budget of the Association shall set forth general Common Expenses. Any amounts accumulated from assessments for Common Expenses in excess of the amount required for actual Common Expenses and reserves for future Common Expenses, unless otherwise directed by the Executive Board, in its sole discretion, shall be credited to each Owner, such credit to be applied to the next Assessments of Common Expenses due from said Owners under the current fiscal year's budget, and thereafter until exhausted, or retained by the Association for reserves.

**ARTICLE 15**  
**RIGHTS OF MORTGAGEES, CONTRACT HOLDERS,**  
**INSURERS AND GUARANTORS**

**Section 15.1. Subject to Declaration.** Whether or not it expressly so states, any mortgage which constitutes a lien against a Unit and an obligation secured thereby shall provide generally that the mortgage and the rights and obligations of the parties thereto shall be subject to the terms and conditions of the Act, the Declaration, the Plats and Plans and any Rules and Regulations.

**Section 15.2. Rights of Eligible Mortgage Holders.** (a) The Association shall send reasonable prior written notice by prepaid United States mail to Eligible Mortgage Holders of the consideration by the Association of the following proposed actions:

- (1) The termination of the Condominium pursuant to Section 1602-118 of the Condominium Act;
- (2) A change in the allocated interest of a Unit or Unit, a change in the boundaries of a Unit or a subdivision of a Unit;
- (3) The merger or consolidation of the Condominium with another condominium;
- (4) The conveyance or subjection to a security interest of any portion of the Common Elements;
- (5) The proposed use of any proceeds of hazard insurance required to be maintained by the Association under, Section 1603-113(a) of the Condominium Act, or of any condemnation proceeds, for purposes other than the repair or restoration of the damaged property;
- (6) The adoption of any proposed budget by the Executive Board and of the date of the scheduled Owners' meeting to consider ratification thereof. A summary of the proposed budget shall accompany this notice;

(7) Any default in the performance or payment by an Owner of any obligations under the Declaration, including, without limitation, default in the payment of Common Expense liabilities;

(b) In the event of any proposed actions described in subsection (a), paragraphs (1), (2), (3), (4), or (5) hereinabove, an Eligible Mortgage Holder shall have the right, but not the obligation, in place of the Owner to cast the votes allocated to that Unit or give or withhold any consent required of the Owner for such action by delivering written notice to the Association with a copy to the Owner prior to or at the time of the taking of the proposed action, which notice shall be sent by prepaid United States mail, return receipt requested, or by delivery in hand. Failure of the Eligible Mortgage Holder to so exercise such rights shall constitute a waiver thereof and shall not preclude the Owner from exercising such right. In the event of any default described in subsection (a), paragraph (7), the Eligible, Mortgage Holder shall have the right, but not the obligation, to cure such default.

(c) In addition, an Eligible Mortgage Holder or its representative shall have the right to attend Association and Executive Board meetings for the purposes of discussing the matters described in subsection (a), paragraphs (1) through (6).

**Section 15.3. Liability for Use and Charges.** Any first Mortgagee who obtains title to a condominium unit pursuant to the remedies in the mortgage or through foreclosure will not be liable for more than six months of the unit's unpaid regularly budgeted dues or charges accrued before acquisition of the title to the unit by the Mortgagee except to the extent otherwise provided for in the Act and except to the extent that such Mortgagee is liable as an Owner for the payment of such unpaid assessment or charge that is assessed against the Mortgagee as a result of all Owners being reassessed for the aggregate amount of such deficiency. If the Association's lien priority includes costs of collecting unpaid dues, the Mortgagee will be liable for any fees or costs related to the collection of the unpaid dues.

**Section 15.4. Condemnation Rights.** No provision of this Declaration shall give an Owner, or any other party, priority over any rights of the Mortgagee of a Unit pursuant to its mortgage in the case of a distribution to such Owner of insurance proceeds or condemnation award for loss to or a taking of one or more Units and/or Common Elements.

**Section 15.5. Books and Records.** Any Mortgagee shall have the right exercisable by written notice to the Executive Board, to examine the books and records of the Association and to require that it be provided with a copy of each annual report of the Association and other financial data of the Association reasonably requested by such Mortgagee.

## **ARTICLE 16** **INSURANCE**

**Section 16.1. Types and Amounts.** The Association shall maintain as a Common Expense and to the extent reasonably available, the following types and amounts of insurance:

(a) Property insurance insuring against all risks of direct physical loss normally covered by the standard extended coverage endorsement and commonly insured against, including those covered by the standard "all risk" endorsement, or such other fire and casualty insurance as the Executive Board may determine provides equal or greater protection for the Owners and their Mortgagees, if any, in each case complying with the applicable requirements of Section 16.2 hereof. The insurance maintained by the Association shall cover the Property, including, but not limited to, all Common Elements and Property and Limited Common Elements and Property, the Units, to the extent required by Section 1603-113 of the Condominium Act, and all improvements, fixtures and appliances contained within the Unit and building service equipment and common equipment, fixtures, personal property and supplies owned

by the Association, but excluding any improvements or appliances subsequently added by an Owner and all other personal property of the Owner. The amount of any such hazard insurance obtained pursuant to this paragraph (a) shall be equal to one hundred percent (100%) of the current replacement cost of the Condominium, including the individual Units, at the time the insurance is purchased and at each renewal date without deduction for depreciation, exclusive of land, foundations, excavation and other items normally excluded from coverage. Such hazard insurance policy may, at the option of the Association, contain a "deductible" provision in an amount not to exceed five percent (5%) of the policy face amount. Funds to cover this deductible amount shall be included in the Association's reserve fund. The named insured under the policy shall be "**133 York Street Condominium Association,**" for the use and benefit of the individual owners, or a specified authorized representative of the Association, including but not limited to any Insurance Trustee, and the Association or its representative, as the case may be, shall be designated to represent the Owners in any proceedings, negotiations or settlements under such policy. The "loss payable" clause of such policy shall show the Association or the, Insurance Trustee, if any, as a trustee for each Owner and each Mortgagee of a Unit. Such policy shall also contain a standard mortgage clause naming separately the Mortgagees of the Units, their successors and assigns. If the Executive Board fails within sixty (60) days after the date of an insured loss to initiate a claim for damages recoverable under the policy or policies obtained pursuant to this paragraph (a), any Mortgagee may initiate such a claim on behalf of the Association.

(b) Comprehensive Liability Insurance, including medical payments insurance, complying with the requirements of Section 16.2 hereof, insuring the Owners, in their capacity as Owners and Association members and any managing agent retained by the Association, against any liability to the public or to other Owners, their tenants or invitees, relating in any way to the ownership and/or use of the Common Elements, Limited Common Elements, and any other areas under the supervision of the Association and any part thereof. Such insurance policy shall contain a "severability of interest endorsement" or equivalent, coverage which precludes the insurer from denying the claim of an Owner because of the negligent acts of the Association or another Owner. Such insurance shall include coverage for bodily injury and property damage that results from the operation, maintenance or use of the Common Elements and Limited Common Elements, any liability resulting from lawsuits related to employment contracts in which the Association is a party, water damage liability, liability for non-owned and hired automobiles, liability for property of others, and such other risks as are customarily covered in similar projects. The amount of such liability insurance shall be at least \$1,000,000.00 for bodily injury and property damage for any single occurrence. The scope and amount of coverage of all liability insurance policies shall be reviewed at least once each year by the Executive Board and may be changed in its discretion provided that such policies shall continue to comply with the requirements of this Section and Section 16.2 hereof. To the extent reasonably available, Mortgagees shall be named, upon their written request, as additional insureds under the Association's liability policy or policies.

(c) Such worker's compensation insurance as applicable laws may require.

(d) Insurance to satisfy the indemnification obligation of the Association and all Owners set out in Section 13.2 hereof if and to the extent available, including but not limited to insurance coverage commonly referred to as "Directors and Officers Insurance."

(e) If at any time it is determined that all or any part of the project's improvements are within a special flood hazard area, a master or blanket policy of flood insurance covering the Property, including but not limited to, all Common Elements and Limited Common Elements and property, the Units and all improvements, fixtures and appliances contained within the Unit or the value thereof, and building service equipment and common equipment, fixtures, personal property and supplies owned by the Association, but excluding any improvements or appliances subsequently added by a Owner and all other personal property of the Owner. The amount of any such flood insurance obtained pursuant to this paragraph (e) shall be equal to the lesser of one hundred percent (100%) of the insurable value of the

property insured or the maximum coverage available under the appropriate National Flood Insurance Administration program. Such flood insurance policy may, at the option of the Association, contain a "deductible" provision in an amount not to exceed \$25,000.00. Funds to cover this amount shall be included in the Association reserve fund.

**Section 16.2. Required Provisions.** Insurance obtained by the Association shall be in accordance with the following provisions:

(a) All policies shall be written with a company authorized to do business in the State of Maine and, for the hazard insurance policy described in Section 16.1(a) hereof, such company must hold a general policy holder's rating of at least "A" by Best's Insurance Reports, or by an equivalent rating bureau should Best's Insurance Reports cease to be issued.

(b) Exclusive authority to adjust losses under policies hereafter in force on the Property shall be vested in the Executive Board or its authorized representative.

(c) Each Owner may obtain additional insurance at his own expense; provided, however, that: (1) such policies shall not be invalidated by the waivers of subrogation required to be contained in policies required by this Declaration; and (2) no Owner shall be entitled to exercise his right to maintain insurance coverage in such a way as to decrease the amount which the Association may realize under any insurance policy which the Association may have in force on the Property at any particular time.

(d) Any Owner who obtains individual insurance policies covering any portion of the Property other than personal property belonging to such owner shall be required to file a copy of such individual policy or policies with the Association within thirty (30) days after purchase of such insurance.

(e) With respect to the insurance policies described in subsection (a) and (b) of Section 16.1 issued to the Association, and covering all or any part of the Property, the Association shall cause such policies to provide that: (1) Each Owner is an insured person under such policies with respect to liability arising out of his ownership of an undivided interest in the Common Elements or membership in the Association; (2) The insurer waives its right to subrogation under the policy against any Owner or members of his household; (3) No act or omission by any Owner, unless acting within the scope of his authority on behalf of the Association will void such policies or be a condition to recovery under such policies or prejudice the coverage under such policies in any way; (4) If at the time of a loss under such policies there is other insurance in the name of a Owner covering the same risk covered by the policy, the Association's policy provides primary insurance; (5) The liability of the insurer shall not be affected by, and the insurer shall not claim, any right of set-off, counterclaim, apportionment, proration, or contribution by reason of any other insurance obtained by or for any Owner; (6) The insurer shall be relieved from no liability for loss occurring while the hazard to the Property is increased, whether or not within the knowledge or control of the Executive Board, or because of any breach of warranty or condition or any other act or neglect by the Executive Board or any Owner or any other person under either of them; (7) Such policies may not be cancelled nor may coverage thereunder be substantially changed (whether or not requested by the Executive Board) except by the insurer giving at least thirty (30) days prior written notice thereof to the Executive Board, the Insurance Trustee, if any, Owners, and every other party in interest who shall have requested such notice of the insurer; and (8) The insurer will recognize any Insurance Trust Agreement entered into by the Association.

**Section 16.3. Insurance Trustee and Power of Attorney.** Notwithstanding any of the provisions and requirements of this Article relating to property or liability insurance, the Executive Board may designate as an insured, on behalf of the Association, the Association's authorized representative, including any trustee with whom the Association may enter into any Insurance Trust Agreement or any successor to

such trustee (hereinafter referred to as the "Insurance Trustee"), who shall have the exclusive authority to negotiate losses under any policy, providing such property or liability insurance.

**Section 16.4. Repair of Damage or Destruction to Condominium.** The repair or replacement of any damaged or destroyed portion of the Condominium shall be done in accordance with and governed by the provisions of Sections 1603-113(e) and (h) of the Condominium Act.

**Section 16.5. Additional Insurance.** Nothing in this Declaration shall be construed to limit the authority of the Executive Board to obtain additional insurance which it deems advisable.

**ARTICLE 17**  
**ASSIGNABILITY OF DECLARANT'S RIGHTS**

The Declarant may assign any or all of its rights or privileges reserved or established by this Declaration or the Act in accordance with the provisions of the applicable Act.

In addition, approval of amendments of a material nature must be obtained from Eligible Mortgage Holders representing at least 51% of the votes of Units that are subject to mortgages held by Eligible Mortgage Holders. A change to any of the following, except where such change may be effected by the Declarant, would be considered as material:

- (a) reallocation of interests in the Common or Limited Common Elements, or rights to their use;
- (b) boundaries of any Unit;
- (c) restoration or repair of the Condominium (after a hazard damage or partial condemnation) in a manner other than that specified in the Condominium Documents; or
- (d) any action to terminate the legal status of the Condominium after substantial destruction or condemnation occurs.

If the amendment is not of such a material nature, such as the correction of a technical error or the clarification of a statement, the approval of an Eligible Mortgage Holder may be assumed when that eligible Mortgage Holder has failed to submit response to any written proposal for an amendment within thirty (30) days after the proposal is made.

**ARTICLE 19**  
**TERMINATION**

The Condominium may be terminated only by agreement of the Owners of Units to which eighty percent (80%) of the votes in the Association are allocated; provided, however, that if the Condominium is being terminated for reasons other than substantial destruction or condemnation of the Condominium, the termination of the Condominium must also be approved by Eligible Mortgage Holders of Units to which at least sixty-seven percent (67%) of the votes of Units subject to mortgages held by Eligible Mortgage Holders are allocated. **STORMWATER MAINTENANCE REQUIREMENTS**

**133 YORK STREET CONDOMINIUM**

**133 YORK STREET  
PORTLAND, MAINE  
June 19, 2013  
(Revised October 21, 2013)**

**POST CONSTRUCTION MONITORING:**

The Condominium Association is required to hire a qualified post construction stormwater inspector to inspect the stormwater system on an annual basis. This includes the sweeping of the parking lot, catch basin, and tree well system, in accordance with Section 32-38 of the City's Ordinance.

Based on the inspection, the Owners shall take corrective action on any systems requiring maintenance. A record of all inspections and corrective action must be kept.

Reporting: On or before June 30<sup>th</sup> of every year the qualified inspector shall file a report with DPS, of the City, noting the system's condition and any maintenance or corrective action that has been taken.

**INSPECTION AND MAINTENANCE:**

Stormwater Management Facilities include swales, paved surfaces, manholes, drain pipe, riprapped aprons, and level spreaders. Periodic inspection and maintenance of these site features and devices is necessary to prevent erosion, protect roadways and other paved areas, and remove pollutants from stormwater runoff.

**SWALES, DITCHES, CURBS AND PAVED AREAS:**

Swales, ditches, curbs and paved areas are easily inspected during a site walk or even a ride-by. Since visual inspection is easy, their condition should be assessed during and/or after significant rainfall events such as thunder showers and periods of heavy or extended rainfall and during periods of significant snowmelt. Any damage or unusual condition such as sedimentation of a ditch, erosion, damaged curb or dying vegetation should be recorded, dated and initialed by the inspector when observed. Even if there is no damage, the inspector should make record of these inspections at least twice annually.

Paved areas should be visually inspected monthly during the winter. The inspector should pay particular attention to the build up of sand around catch basin grates and remove accumulations that block the free flow of surface runoff to the catch basins. The date and initials of the inspector should be recorded on the forms provided as well as a notation of any cleanup effort that was made and the approximate volume of sand that was removed.

## **DRAIN PIPES:**

Drain pipes are road culverts and pipes connecting drain manholes. Inspect drain pipes when inspecting other stormwater maintenance facilities. At least annually make a visual inspection of the pipe. During the daylight you should be able to see light through most pipes as they have been laid to a straight line and grade. In some cases (e.g. pipe runs to a drain manhole, or is blocked) you will need a light to inspect pipes.

Clean pipes as necessary. Record inspections on the forms provided noting condition of pipe and any maintenance procedures implemented.

## **TREE FILTER SYSTEM:**

The tree filter system is located at the end of the driveway near York Street. The purpose of the system is to provide treatment of stormwater from the entire parking lot, roof, and other landscaped areas graded to drain to the parking area. It is important that proper maintenance is performed to insure the system is operating efficiently.

Maintenance of the tree filter system should optimally be performed on a twice yearly basis: in fall after leaves have fallen; in spring, following all winter sanding operations. If winter sanding operations are not customarily performed or impact the system, or minimal accumulation occurs, once yearly maintenance may only be necessary. Following are the appropriate maintenance and inspection procedures:

1. Remove any apparent diseased or damaged tree branches; prune tree for health and aesthetics as necessary.
2. Remove any debris or trash from the concrete surface and/or grating.
3. Remove any debris, trash or obstacles from curb inlet (throat) opening.
4. Remove surface grating surrounding the tree to access media (mulch) surface; remove any visible debris and trash. Should any accumulated sands or sediment be observed on the mulch surface, remove to assure a loose and unobstructed mulch layer. Replace or replenish hardwood mulch as necessary to maintain an optimum depth of three inches.
5. If overflow port and piping exist, remove any debris or obstruction surrounding the exposed inlet.
6. If separate, remove grating overlying pre-treatment sump (catch basin).
7. Remove any bottles, cans, or trash from the catch basin.

8. If a vactoring system is to be utilized, commence vacuuming sands and sediment from the interior of the catch basin. If hand tools are to be utilized, shovel out as necessary.
9. Replace all grating and securely fasten any hardware.
10. Complete any required maintenance logs or paperwork.
11. Properly dispose of sands, sediment, debris, and trash.

Inspect tree annually. Provided that it is not disturbed or physically damaged, under normal growing conditions, the tree should mature naturally such as other landscaped trees, and therefore, should not require replacement. If for any reason tree replacement is required, the trunk and associated root mass should be removed. The mulch and soil (engineered media), to a depth of approximately two feet, should also be removed.

Although not a proprietary product, the engineered media is a specially blended mixture of several components formulated to maintain a specific infiltration capacity. Please consult Green Street Systems at 781-534-2218 directly regarding media replacement or for additional information.
