RE: 133 YORK STREET

Dear Jean,

Attached is a revised Subdivision Plan, Utility Construction Plan for work in York Street, Condo Documents, and revised building elevations.

The front of the building has been revised to match the rear elevations. This eliminated the blue siding. Hopefully this is satisfactory to all.

Also attached are draft easements we have sent to our neighbors for their review. This will be finalized before construction.

Sincerely,

PINKHAM & GREER

A handwritten signature in black ink, appearing to read "Thomas S. Greer". The signature is written in a cursive style with a large, looping initial "T".

Thomas S. Greer, P.E.
