Re. Building Permit

Ref 10 STRATTON
K. Brown

CBL 448-040

Project #3

As sketched on Plot Plan Existing steps don't meet
Required Boca Code and go within 2' of Property line

I planned on turning steps 90° to meet set back
and BOCA Code. this Increased three Foot print.

Which conflicts with Condition of Approval #31 on
Permit # 00138

Please Advise after reviewed.
