**Subject: Front Entry Plan Revisions  
126-128 Danforth Street  
Portland, Maine**

Dear Deb Andrews,

Attached please find drawings revisions to the front entry to 126 & 128 Danforth Street. Design incorporates granite cheek wall redesign from 2" thick veneer panels & granite caps to solid 16" thick granite cheek wall blocks and structural foundation design.

Drawings revised : **A2, A3, A5 and S1, S2, S3 and S5**

Drawing PDF Files were too large to upload to the City's file document system. I have provided a thumb drive with these PDF files. Can you please upload them the City's system for us? Thank you!

Contact this office with any questions. Thank you.

Sincerely,
