Hi Freddie, I am writing to you in your capacity as President of the 48 State Street Condo Association. The City of Portland has a few questions on my permit application. I realize that the Association previously gave me approval, but I want to forward this email as proof that the Association is OK with my project.

Please confirm that I have permission to renovate the basement space below my unit to use as storage, and that I have permission to replace

the windows with new, wooden Marvin windows.

Thanks very much, and please let me know if you have any questions.

Appreciate your help.
