Comment: Treatment rendered to unit 7 for roach activity. Located a moderate amount of activity in kitchen area. Application made to common roach harborage areas. Fridge leaking water all over kitchen floor. Suggest replacing unit or fixing leak. Removing water issue will help control current and future issues. Roach activity also discovered behind kitchen outlet covers. Roaches appear to be coming out of walls onto kitchen counter. Tenant reports seeing roaches on kitchen counter. Suggest signing up for monthly maintenance plan. This will help with controlling the current activity and help prevent future infestation s.
