Product Overview

The Bostonian Molded Interior Door from JELD-WEN is perfectly suited to classic American architecture. This 6-panel door has a woodgrain surface with a modified cove and bead sticking profile. Prehung door on flat jamb is ready for installation. Pre-bored lock-set opening for ease of hardware installation.

California residents: see [Proposition 65 information](#) ↗

- Right-hand prehung unit: right-hand is when the knob is on the right and the door opens toward you
- Solid core construction reduces sound transmission by up to 50% (compared to a hollow flush door), it also helps prevent the dents and dings of daily life
- Solid core construction offers superb sound reduction
- Matching slab and prehung passage doors also available
- Smooth, primed surface is ready to paint
- Features Scientific Certification Systems (SCS) certified molded door skins made using 80% recycled content
- Doors must be finished on all 6 sides
- Backed by a 5-year limited warranty
