1.1	There must be a working smoke alarm (detector) on each level of the building and dwelling unit including the basement and in the immediate vicinity of each bedroom or room used for sleeping as well as in each bedroom.
1.2	There must be a working carbon monoxide (CO) alarm (detector) on each level of the building and dwelling unit.
1.3	Each dwelling unit must have access to at least 2 separate ways out of the building that are not located close together unless the unit has an exit door opening to the outside at ground level, an enclosed stair used only by that unit opening to the outside at ground level, or access to an outside stair that serves no more than 2 units.

1.6	Each bedroom must have a window that can be opened without using tools or special knowledge. The opening of the window must be at least 20" wide and 24" high and provide an opening of 5.7 square feet. The bottom of the opening must be less than 44" above the floor.

Chapter 6, Article VI of the City of Portland Code of Ordinances requires owners and managers to register rental units with the City of Portland Housing Safety Office. Registration is due annually by January 1 of each year beginning January 1, 2016 and within thirty (30) days of purchasing a property used for rental. The registration fee is \$35 per individually rented room and/or dwelling unit. Failure to register may result in a fine.
