Deb,

Attached you will find all of the items required for the December 3rd HPB meeting re: The Danforth Inn. Twelve hard copies will go in the mail this morning. I'd suspect your office will have them on Monday. Please let me know if you require anything else.

Can I assume that the inspection office will generate a PDF invoice for me to then pay via the city's website – same as the last submission?

Thanks again for the submission flexibility. Have a wonderful holiday!

Cheers!

Erik C. Durbas
