Status Comments

Dept	Comment Date	Comment
Zoning	11/15/2017	Emailed Geoffrey Rice. Need to know: 1. Plan A2 references a proposed storage room. What is going to be stored there and what part of the building is it going to be associated with? 2. How many dwelling units are in the building and can you tell me how many are on each floor?

Required Inspections

Inspection Type	Scheduled?	Schedule Date	Inspection Status	Request Inspection

→ Sorry ANN,
we missed your comment.

Answers ARE:

- ① PROPOSED STORAGE is for owner, not Tenants. items such as DOORS, AND OFFICE materials.
- ② There ARE 21 apartments in Bldg. 7 Apartments per floor.
