HISTORIC PRESERVATION REVIEW

Note: Your property is an individually designated landmark structure or is located within a designated historic district. As such, alterations to the building exterior or site which are visible from a public way are subject to review and approval under Article IX (Historic Preservation) of the Land Use Code. Your building or sign permit application has been reviewed to determine whether the nature or scope of the project requires review, and if so, whether it meets the standards of the historic preservation ordinance.

ACTION

Does not Require Review (e.g. Interior work only / alteration is not readily visible from a public way)

Note: this finding is based on the understanding that the application entails interior work only or that the proposed exterior alteration(s) will not be readily visible from a public way. If your project entails exterior or site alterations (including the installation of sign(s), awnings, or exterior lighting for such) these alterations must be reviewed and approved prior to commencing with the work. Contact 874-8726 for more information.

Denied Reason for Denial: _____

Approved as submitted

Approved with conditions (see below)

Conditions of Approval:

Contact Historic Preservation Staff (874-8726 or 874-8728) prior to installation of sign(s) to confirm approved location.

Your sign permit includes no reference to exterior lighting; if lighting is included, please submit information on fixtures and specifications on installation.

Other conditions:
