Good Afternoon,

I have been working with Ryan Deskins owner of the proposed bar currently under construction in the Lafayette Building at the corner of Congress St and Park St.

This bar will be named "Sagamore Hill"

An entrance has been added to the Park St side of this building requiring a new street number assignment.

Enclosed, please find a map document depicting the location of this proposed business.

Mr. Deskins anticipates an opening some time in mid May 2018.

He has been copied on this email message.

Thank you, Charles
