To Captain Petruccelli,

The new fire alarm system the Lafayette Townhouses located at 638 Congress St was installed according to the Portland chapter 10 code and the 2010 NFPA code. All devices at 638 Congress St the dwelling building and the commercial spaces 640, 642, 644, 646, 648, 650, 650A, 652, 656 Congress St were tested and all signals were received at the monitoring station United Central Control. The central station phone number is 1-800-299-9900. Southern Maine Cabling tied the Portland AES masterbox in on 12-22-14 and tested it with Dick Andrews from the Portland FD and all signals went through. Southern Maine Cabling tested the elevator recall with Otis Elevator on 12-29-14 and the elevator recalled like required. We also tested the shunt trip for the elevator.

Signed,

Peter Desrochers  
Southern Maine Cabling
