Subject: Residential Application Permit - Scope of Work

Attachment to Application Permit.

Detail of Scope of Work:

1. Removal of Plaster of various walls and ceilings.
2. New Hardwood flooring installed on existing floor base
3. New Kitchen Cabinets and Appliances, associated plumbing and electrical.
4. New Kitchen Floor installed on existing floor base
5. New Sheetrock in place of removed plaster
6. New Bathroom. Change from Tub to Shower, associated plumbing and electrical.
7. Washer and Dryer hookup - apartment model.

This is to add to the attached building application for permit.

If you have any questions, please feel free to contact me.
