Re: Building Permit Application# 030480, 141 Spring St. (045 A013)

Dear Stephen,

Regarding the above application for a 3'5" x 17' Deck/Walkway, Marge Schmuckal has determined that the application with these dimension cannot be approved. Please submit new plans that reflect a walkway that is wholly within the footprint of the existing bay window, and the walkway extension to the access door as approved by Marge. This plan must include plans of sufficient detail to determine code compliance with the Loading, Guardrails 1999 BOCA Code. Upon receipt of sufficiently complete plans, a permit will be issued.

Yours truly,

Mike Nugent
Manager of Inspection Services
