Hi Scott,

Thank you for taking the time to review this and get back to me this morning, I really appreciate it! Attached is the updated drawing to show a thicker trim piece under the roof of the sign. It is hard to depict on a drawing but we intend to best imitate the sign that is currently there.

Can you please confirm that you have received this drawing and that it has your approval from the historic review?

Thanks so much!

Hi Deb,

Attached is a copy of the updated drawing. We were able to get the okay from the church board for the additional costs to add architectural trim work that you had preferred to have on the top and bottom. I have also attached a couple photos of the existing sign for comparison. Could you please let me know that you have received this? I will be in my office until 5pm today if you want to call to discuss.

Thank you,
