To Whom It May Concern:

The Children's Nursery School leases space at The State Street Congregational Church at 159 State Street. This letter is to indicate support for the placement of an appropriate sign that meets city requirements on the fence to the courtyard that serves the main business entrance of the building. The Children's Nursery School shares an entrance with the church and does not have a separate on-street presence from the church.

If you need any additional information, you may contact Anne Hendrix, our office administrator, at 774-6396, and she can direct your inquiry to the appropriate person within the church.

Sincerely,

Camilla J. Barrantes
