Subject: Re: State Street Church - historic question

Dear Chris,

State Street Church is identified as a Landmark structure within the West End Historic District, signifying that it exhibits the highest level of historic and/or architectural significance.

Deb Andrews

Hi Deb and Rob,

Could one of you let me know whether the State Street Church (159 State St, CBL 045 A026) is considered a "contributing structure" in the West End historic district?

Thanks,
Chris
