Will,

Attached is a plan to incorporate the sign into the same sign area as currently exists. Please email me back your approval so that we can obtain the appropriate permits. I will be sending your attorney the executed lease shortly. Thanks.

Les,

Thanks for the updated design. Unfortunately, my Mother, as the Managing Member of RANS, LLC, does not support and is not willing to sign the letter for the new sign.

Is there a way to incorporate your new logo into a similar sign style as what exists on Congress Street now? I think my Mother's concern is that the sign does not fit in with other signs nearby.
