Lieutenant Benjamin Wallace, Jr.
Portland Fire Department
380 Congress Street
Portland Maine 04101

Please find attached a permit application for the property located at 91 State Street. Per our discussion this is a sprinkler supervisory system only. Automatic initiation consists of sprinkler switches and a single smoke detector above the fire alarm control panel. Manual initiation consists of one pull station. Occupant notification consists of a single horn strobe.

Thank you,

Michelle Perkins, Operations Manager
