## Table of Contents

### Volume 1

Description of System Operation  
MXLV Battery Calculations  
MXLV-R Battery Calculations  
Digital Voice Message List  
Walk Test  
Program  
MXLV Operation, Installation and Maintenance Manual  
MXLV Operating Instructions

### Volume 2

#### Control Equipment

MXLV	Fire Alarm Control Panel
	MXL Multi-Line Keyboard/Display Panel
ACM-1	Audio Control Module
	Installation Instructions
TMM-1	Telephone Master Module
	Installation Instructions
MPS-12	Power Supply Module
	Installation Instructions
MLE-6	Enclosure
	Installation Instructions
MMB-3	Main Control Board
	Installation Instructions
MOM-4	Network Option Module Card Cage
	Installation Instructions
ALD-2I	Analog Loop Driver
	Installation Instructions
CRM-4	Controllable Relay Module
	Installation Instructions
ZC2-4AB	Dual Channel Audio/Strobe Zone Card
	Installation Instructions
PLC-4	Power Limited Card
	Installation Instructions
PL864-70A	Audio Power Limiting Module
OMM-1	Option Module Cardcage
	Installation Instructions
OCC-1	Output Control Card
	Installation Instructions

DMC-1	Digital Message Card Installation Instructions
ASC-1	Audio Supervision Card Module Installation Instructions
MMM-1	Microphone Master Module Installation Instructions
EL-410D	Audio Amplifier Installation Instructions
VSM-1	Visual Switch Module Installation Instructions
RCC-3	Remote Annunciator/Keyboard Installation Instructions
MKB-5	Display/Keyboard Installation Instructions
PT-304	Firefighter Handset w/PTT
FJ-304	Remote Firefighters Telephone Jack Installation Instructions
EA-33	Enclosure
PS-5A	Power Supply
BK-33	Battery Bracket
MOI-7	Output/Input Module
MID-16	Programmable Input Driver
MOD-16	Output Driver

Detection Devices

FP-11	Intelligent Fire Detector
FPT-11	Intelligent Thermal Detector Installation Instructions
DB-11	Detector Base Installation Instructions
DB-X11RS	Relay Base Installation Instructions
AD-11P	Air Duct Housing Installation Instructions
STA-3, -6, -10	Sampling Tube Assembly
TSM-1	Duct Detector Test Switch Installation Instructions
DT-200F	Fixed Thermal Fire Detector

Notification Appliances

U-MCS	Multi-Candela Sync Strobe Installation Instructions
S-LP70MG-MCS	Speaker with Sync Strobe

PAD-3R Installation Instructions  
Auxiliary Power Supply  
Installation, Operation and Maintenance Manual  
DSC Dual Synchronizer Module  
Installation Instructions

Initiating Devices

TRI-B6M Addressable Interface  
Installation Instructions  
TRI-D Intelligent Interface Module  
TRI-S Intelligent Interface Module  
TRI-R Intelligent Interface Module  
Installation Instructions  
MSI-20B Intelligent Manual Station  
Installation Instructions
