Mira & Bogdan Vignjevic
RE: 10 Pine Street Violations

Dear Mira & Bogdan,

I am in receipt of a Plan of Action (POA) from a licensed architect. This plan is acceptable to the Fire Prevention Bureau for correcting the existing life safety violations in the 4 unit apartment building located at 10 Pine Street.

The legal use of the building according to the City's assessor and Zoning Administrator is a four unit apartment, any additional units or alterations to that configuration will require approval from the Inspections Division.

If you have further questions please feel free to contact me in the office.

Sincerely,

A handwritten signature in black ink that reads "A/C Keith Gautreau". The signature is written in a cursive style.

Asst. Chief Keith Gautreau
