BUILDING OWNER: PLYMAte C-B-L: 045-E-003
PERMIT APPLICANT: 0 W e
APPROVED: With conditions; #1, #4, #7, #10
CONDITION(S) OF APPROVAL
 This permit is being approved on the basis of plans submitted. Any deviations shall require a separate approval before starting that work. During its existence, all aspects of the Home Occupations criteria, Section 14-410, shall be maintained All the conditions placed on the original, previously approved, permit issued on are still in effect for this amendment, and/or revised permit. The footprint of the existing <u>DecLS</u> shall not be increased during maintenance reconstruction. Your present structure is legally nonconforming as to setbacks. If you are to demolish this structure on your own volition, you will only have one (1) year to replace it in the same footprint (no expansions), with the same height, and the same use. Any changes to any of the above shall require that this structure met the current zoning standards. This property shall remain a single family dwelling. Any change of use shall require a separate permit application for review and approval. Our records indicate that this property has a legal use of <u>INFee (3)</u> units. Any change in this approved use shall require a separate permit application for review shall be required for any new signage. Separate permits shall be required for any new signage. Separate permits shall be required for future decks, sheds, pool(s), and/or garage. This is <u>not</u> an approval. All of the attached Floodplain forms shall be appropriately filled out, signed, and returned prior to the issuance of any certificates of occupancy. Other requirements of condition:
